Because the Postal Department was at that time under the control of the Revenue Department. The applicant's services were therefore verified by the Pay Bills, ~~Sequestration~~ ^{Sequestration} Bills available in the Collector's records.

I The applicant was on sick leave from March to June 1857. In March 1852 he and Remsamy, Indian Deputy Writers, Madras Post Office, exchanged places as a temporary measure at their own request for their own convenience.

II The above Remsamy, Indian

III The exchange having been made as a temporary arrangement, he was marked as acting.

3. The ~~Sequestration~~ ^{Sequestration} Bills of the Madras Post Office in the Sugar Record show the payment of Rs 9 to the applicant and Rs 6 to one Teukata Rao who is called Dy. Writer. There are no other papers throwing light on the subject. This is probably due to the practice which then existed of Collector's splitting, without sanction, the salary of one appointment into two or more, and appointing more than one person to the same office.

Office. The applicant is unable to give any information on the subject, but the entry of log was made with reference to the record in the Office.

4. The entries in the Register of application regarding Sadasiviah's service being supported by records as far as it is necessary, no affidavit seems necessary and there are also no contemporary employees.

5. The permanent incumbent was on sick leave during the period mentioned and Sadasiviah was acting on full pay.

6. The applicant avers that his country name is Chendraghary and the initial letter is therefore C. There is no means of ascertaining the cause of other letters having been entered in the records of former years. I presume they were written through mistake.

7. The Office of Police, Arcot of Srirangapatna fell vacant, and the applicant was transferred to it at his own request for a change of climate and draw the full salary of the Office. He was therefore shown in the application as permanent incumbent. Why he was shown in the Annual Return as acting is not known. The old records having been destroyed, and the applicant being unable to throw any light on this point, I cannot furnish any further information on the subject, but I presume he had no lien on the

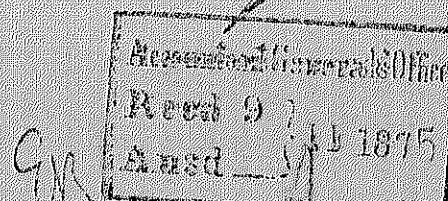

the appointment of Police, Arcot & Madurai. The correct periods during which the applicant was on leave on the occasions mentioned are noted below and those stated in the application are mistakes.

(a) Private affairs leave for 3 months and 6 days from 6th January to 11th April 1871.

(b) Sick leave for 1 month and 18 days from 20th March to 4th May 1872.

(c) Sick leave for 15 days from 7th June 1872.

The signatures of the collector, the applicant and the applicant's immediate superior have been obtained to the Service book at the places pointed out.

Acct to the
FROM THE DEPUTY ACCOUNTANT GENERAL, MADRAS,

To THE Acting Collector of Madura.

Vide your Application for Pension on behalf of C. Sa. Sainier

The undersigned has the honor to request explanation on the
following points -

1. Why was the applicant's name not entered in the Pay bill for March 1852 in the Madras Post office S.W. if as stated in 2. (5) of reply memo No. 2457 of 6 Dec 1875 that the applt. got himself exchanged from Pambour to Madura - In the Pay Bill for March the name of Ramasamy Sainier was only appended in Pambour & Madras Post office.
2. Why was the applicant paid in full in 1852 while in the Pambour Post office & not in the pay split as was the case in Madras.
3. Was Ramasamy Sainier paid in full viz 15 Rs while in Madras, and also in Pambour.
4. If the applt. was paid in full while at Pambour and Ramasamy Sainier was paid only 9 Rs in Madras the circum-
stances under which the applicant exchanged himself to an applt. the pay of which was ~~split~~ divided - Calcutta

Acct to the Asst Genl.

Para 1

The pay bill for March 1852 was not forthcoming. The records show that the applicant got himself exchanged from Pambur to Madura as pointed out in the authority of two orders noted in the margin, translations of which are enclosed. I am unable to furnish any further information on this point. I can only suppose that the name of Ramasamy Aideo was probably entered through mistake both in the Establishment of Pambur and Madura Post Office. There is no doubt that the applicant was at this time in Government Service.

Para 2

I have got no record in my Office from which I can furnish this information but the applicant says that he drew Rapes 10 while in the Pambur Post Office.

Para 3

Ramasamy Aideo was paid Rapes 10 while in Pambur and I cannot ascertain the amount received by him when in Madura.

Para 4

There is no doubt that the applicant drew Rapes 9 only while in Madura, this is supported by certain Pay Books found in the Office. That the shade of his head & shoulders him to get himself leave paper to Madura on a Pass pay is evident from the orders above referred to.
