Para 21- Naraniah, my Sheristadar joined me in April of this year and has only assisted me in the Settlement of one Taluq- Immediately on his arrival he threw himself heartily into his work and has in every way been of the greatest assistance to me. Indeed without his help business would have been sadly retarded as at the busiest time of the year my Hd. and 2nd Clerks were unfortunately taken ill, & I found it impossible adequately to supply their places- Naraniah, however, cheerfully undertook their duties in addition to his own, and afforded me valuable aid when I stood most in need of it—

but when coupled with the fact that he has done his work well, and that the work is by no means easy, it appears to the Board to give Naraniah a fair title to expect additional remuneration while engaged on the special duty on which he is now employed; especially considering that he was virtually awarded an extra 100 Rs for his special duties beyond the pay of his substantive appointment—

4 - The Board therefore, recommend that Naraniah be allowed a salary of Rs. 250 a month from the beginning of the present calender year chargeable to the Estimate of the Escheat Establishment out of which the Collector reports there are available savings to meet the additional expense this year—

My dear Sullivan,

I have just got your note of the 13th (having returned from the Dist. this morning)— I will let you have Naraniah, not with pleasure — for I shall be exceeding sorry to lose him — but because the special work

on

on which the permanent incumbent of Sheristadar's Office is engaged is almost over and I do not see immediate prospect of securing Naraniah a permanent post equal to a Sheristadarship here and should be very sorry to have to send him back to the Sub Division Sheristadarship after his excellent service in this Dist.

I wrote to the Board a few days ago, and think there may be other special work taken up that might enable me to keep Naraniah acting; but as there is nothing yet decided upon I would not think of standing in his way elsewhere - I hope therefore you will be able to offer him the post you write of - I

Proceedings of the Board of Revenue, dated 27th January 1869.

Read the following letter from H. S. Sullivan Esqre Collector of Bellary to the Acting Secretary to the Board of Revenue, dated 21st January 1869, No. 10.

The post of Huzur Sheristadar in this district being temporarily vacant, owing to the present incumbent having been made an Ag Dy Collector, I have the honor to nominate C. Naraniah, who has for a long

time

time been Acting Huzur Sheristadar under the Collector of Malabar for the Office. As it is most important that at this time of the year the vacancy should be filled up with the least possible delay, I trust that the Board, to whom C. Naraniah's services in Malabar are well known, will sanction the appointment previous to the usual Statement being submitted. I have known Naraniah for many years in the Coimbatore and Malabar Districts, and when Sub Collector at Palghaut in 1859, I gave him the appointment of Sub Division Sheristadar. He was afterwards employed on special duty in disposing of the Jenm rights in the Escheated Estates in North Malabar and subsequently as Hd Sheristadar at Calicut. That he has maintained the high character for efficiency and integrity, which led me to promote him ten years ago to a position of trust, will be seen from the subjoined demi-official letter from Mr. Ballard to whom I applied for his services. I shall feel much obliged by a reply to this letter being sent by telegraph.

C. Naraniah has been Huzur Sheristadar of this District for the past two years and five months, most of that time under me— He has been offered a transfer to a similar appointment in the Coimbatore District and has accepted it.— I can testify most particularly to his diligence and ability— He has filled this Office, as indeed he appears to have filled all his former ones, with the greatest credit to himself — he has given entire satisfaction to me in this District and it is with very great regret that I part with him. He is a most valuable servant of Government, and I hope to see him occupy the position of Dy Collector before very long—

THE undersigned has the honor to request explanation on the following points–

1. why was the applicant's service in the Experimental Cotton Farm Estt. reckoned as qualifying while the same appears to have been temporary.

3. Why was the applicant shewn in the Annual Return of 1st May/51 as acting English writer –

1. The experimental Cotton Farm Esta=

it was believed that services in it would count
like those in the Inam Commission and

directed that one of the Clerks on the establish=

2. The post was a full vacancy; there is no
order formally confirming applicant; in the
Pay abstracts and annual lists the applicant
was shown as acting English Writer from
4th January 1845 to April 1850; the word
"acting" was dropped out in 1851, re-entered
in 1852, and left out subsequently.- The
applicant was first appointed as acting English
Writer and always drew full pay; tho' no form=

he was looked upon as permanent.-

3. The above remarks apply.-

4. In a verified service list received from
the Collector of Malabar, a copy of which
is herewith enclosed, the applicant is shown
as Hoozoor Sheristadar and not "acting".-
The fact is the applicant was substantive

5. Drew no pay for the 11 days of August 1871- a reference on this subject was made to the Board of Revenue from Bellary; it was referred to the Accountant General vide Revenue Board's Proceedings No. 3,749 of 31st August 1871, but whether any reply was made or not, is not known.-

6.- From the records of this office, it does not appear that the applicant had any leave; by his own statement, he enjoyed 2 months Privilege leave in 1865, while in Malabar, though the service list received from that District shows none.-
