a Pen with the initials of the District
Munsiff's Court of Illinois Son of James Spillman
His age is, by his own statement, 60 years,
and by appearance about 70 years.
I consider James Spillman to be
completely and permanently incapacitated
for further service of any kind
in the Department to which he
belongs, in consequence of old age and
infirmary. His infirmity does not
appear to me to have been
caused by irregular or intemperate
habits.

Sir,

In reply to the queries contained in your letter of the 20th December last with reference to the Pension Application of Janiti Subbanna a peon on the establishment of the District Munsiff's Court of Ellore, I have the honor to state as follows, that

- (1.) the date of the birth of the Applicant is unknown -
- (2.) the Applicant was not reduced by any order of Government, but was reduced on account of his inability

inability to serve longer. He was, as reported by the District Munsiff, old and infirm while in service. He obtained 3 months' sick leave on account of paralysis and applied for pension before his return to duty. His infirmity owing to old age & illness being ^{quite} ~~more~~ ₇₁₂ apparent ~~than~~ ₇₁₂, a medical Certificate was not then thought by the Munsiff to be necessary & he was therefore removed from the service from the date of his application for pension. He was, however, unable to move to Rajahmundry until November to get a ^{Medical} Certificate of unfitness from the Surgeon. Hence the delay of 4 months in obtaining the Certificate had occurred.

3. the

3. the entry of the Applicant's house - name in the lists of 1871 as Janati instead of Janati is a mere clerical error.

4. the Applicant has not kept a service book as it is not usual for persons in this District to keep such books.

5. the pension application was forwarded a few days after the receipt of the Medical Certificate.

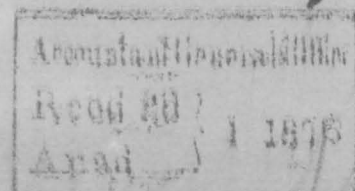

I have also the honor to inform you that Janati Subbanna is reported by the Munsiff to have died on the 13th Instant. The Hookums with translations are herewith sent.
