Certified that I have carefully examined Sabaroya Chetty, son of B. N Sabapathy Chetty, a Shroff in the Kullowrchi Sabeg. His age is by his own state ment 50 years, and by appearance about 50 years. I consider Sabaray Chetty to be completely and per= manently incapacitated for furth service of any kind in the Depart ment to which he belongs, in con= sequence of defective vision. His incapacity does not appear to m to have been caused by irregular or intemperate habits.

Order

From P. L. Roberts Esquire
Sub Collector of South Arcot

To Vencatarammiah
Tahsildar of
Kullacurchy

You are aware that in my examination of your Talug Treasury on Monday the 26th Instant, Several irregularities were observed by me and that I have then and there warned you in person. As such irregularities give room for great suspicion, it is expedient that they should be immediately noticed in a proper manner.

2 Although the balance in hand was Correct according to the Accounts Still the Government [illegible] Amount and the Sum belonging to the Public Works Department were mixed up together. When the bags which Contained Coins of Different denominations were examined and the Coins counted, it was found that the accounts of "Permanent advance", Salary of the Servants, deposit &c. were mixed up together in the Same manner. A Separate Chittah must be kept.

A

for each item and the amounts under each should similarly be separately kept. Whereas the rule was not observed in your Taluq Treasury and consequently it was difficult to find out what the amount of each item was and whether it was Correct or not until the whole Cash balance had been Counted and Compared with the accounts, and it seems to me that the absence of separate Chittahs and the mixing up of the different items together without keeping them separately is likely to facilitate the fraudulent handling of the Government money. This is Clearly the result of the want of supervision and neglect on your part and on that of your Sheristadar and principally the Head Gumastah and Shroff. On checking you about this you promised to be Careful hereafter. While Counting the money in my presence the said Shroff Subbarayal Chetty made

mistakes in Counting several times, and thus there was difference in the amounts. This shows either that he is unfit for his post or that he miscounted with a bad intent. From the manner in which he acquitted himself at the Treasury Examination I have formed a very bad opinion of his Conduct. Notwithstanding the existence of these several patent irregularities in the Treasury, he seemed to challenge me in my attempt to find out if there is any deficiency in the amount. This itself gives room to think that some money in your Treasury was once misappropriated and subsequently made good. After I began to suspect as above you were frequently telling that the total amount would be all right. I am at a loss to know how it was possible for you to say so notwithstanding the existence of so many irregularities in your Treasury.

4. Again when the bag containing pies

(Copper Coins) were examined there were found therein one 4 anna piece and 2 two anna pieces and I believe there were also 2 half anna pieces. Thus by having Coins of different denominations mixed up together in 1 bag the amount did not Correspond with the entries in 2, 3 or more Columns in the accounts and it also gives room to suppose that the accounts themselves are wrong.

5. On examining the receipt Stamps, the stock was deficient. A few annas in Cash were produced before me in order to make it Correspond with the entry in the accounts. When questioned as to why should money be produced for the deficient Stamps, it was explained that the stamps were sold after the Chittah was closed. This explanation is very suspicious, and the procedure is wholly irregular. Moreover Stamps also were not in any way well kept. In one box were kept stamps of 2 different descriptions mixed up together. On considering all these facts it appears that fraud is practised in the Stamp department, and all the other accounts have been thereby Confused. It is desirable that the Shroff and Head Gumastah who are principally the Cause of such Suspicion and Confusion in the Treasury should be at once transferred and proper men newly appointed.

6. Therefore Considering the Shroff Subbaray Chetty utterly unfit for the post I have transferred him as Dy Shroff of Virdachellam Taluq on Rs 10 and Sambajee Chetty Shroff of the latter Taluq as Shroff in your Taluq. Moreover the Head Gumastah Narayana Row who is responsible for the many other irregularities brought to notice at the examination is transferred as 7. Gumastah of Virdachellam Taluq on Rs 15 and Ramasawmy Pillai 7." Gumastah of Virdachellam Taluq

as Head Gumastah of your office. These transfers will have effect from the 1st of October next. If you and your Sheristadar had obeyed the strict and frequent orders of Government and the Revenue Board and constantly examined the Accounts and the Treasury there would have been no room for the occurrence of such irregularities. You and your Sheristadar are therefore severely warned this time for carelessness in this important duty. You will pay proper attention in future. I have reported the state of your Treasury to the Board of Revenue.

Urzi to the Division Huzur.

A peon of the Vredachelam District Moonsiffs' Court produced before me on the 7 Instant Shroff Subroya Chetty against whom a warrant had been issued directing his production before the Court on the 8 Instant on account of the decree amount in Suit No. 498 of 1872 on the file of that Court. As the Easter Holidays are approaching and as the amount in the Treasury was large (being Rs.) and as there is no 2d Gumasta I on the same day wrote a yadast to the Court saying that I would send the Shroff on the 21st after remitting the money to the Treasury and making the necessary arrangement as to a substitute for him &c. In reply the Moonsiff has sent me a yadast

dated

dated 10 Instant with a 2d warrant without Complying with my request. I enclose herein Copies of these yadasts for your perusal.

As it was not expedient to stop the Shroff even after the 2d warrant I have appointed Sathu Chetty Nolagar of Yemappore to do his work.

1 As to character and past conduct of Applicant.

Explanation of any Suspension or degradation.

Remarks by Head of Office.

The applicant's conduct, except in the instance mentioned in Remark 2, seems to have been good throughout his Service. Being unfit for further effective Service in consequence of defective vision, as will be seen from the accompanying medical certificate, the Collector recommends him for an Invalid gratuity of Rs 75 — — under clause (a) Section 63 Chapter XII of the Civil Pension Code 2nd authorised edition.

On the 1st October 1870 the applicant was degraded from the post of Shroff on Rs 15 — — at Kallakoorchy to that on Rs 10 — — at Vridachellam for certain irregularities observed by the Sub. Collector in his Examination of the Talug Treasury at Kallakurchy. Vide accompanying translation of an order marked A.

In the leave statement for April 1873 it was stated that the applicant absented himself without leave for 7 days from 14th to 20th April 1873 and this entry was based on a similar entry in the Leave Statement received from the Talug but it now appears that the so called "absent without leave" was not really so, but the Shroff was permitted by the Tasildar to attend the moonsiff's court at Vridachellam in obedience to a warrant from that court. Vide accompanying translation of Urzi marked B. Moreover it appears from the accompanying translation of an order marked C that the Tasildar's nomination of another person to act for the applicant during the above period of 7 days was approved. This period of 7 days is therefore not to be excluded under Section 44 of the civil Pension Code from the period reckoned as service and should I think be treated as leave on forfeiture of full pay.

In continuation of 1 month's private affairs leave from 19th January 1874 Sick leave for 3 months from 18th February 1874 was granted to the applicant on the production of a medical certificate to the effect that he was suffering from some eye disease. So that he ought to have resumed the duties of his office on the 19th May 1874, but prior to the expiry of this leave, the applicant applied for an extension of leave as will be seen from the accompanying application marked D. as the disease was not cured. Thereupon the applicant received the accompanying translation of an order marked E at Chinnasalem on the 9th June 74 informing him that the leave applied for will be granted on the production of a fresh medical certificate. Thereupon the applicant resumed his duties on the 17th June 74 and no final orders were passed on his applications for an extension of Sick leave. Under these circumstances the period of 29 days which he overstayed his leave had been treated as an ex tense without leave in the leave Statement, but considering the peculiar circumstances of the case and the hardship to which the applicant was subjected by the late Sub-Collector Mr L's refusal to grant the extension applied for, I am disposed to treat the period as leave on forfeiture of full pay.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX.

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it.

} None.

5. Any other remarks.

Including the above period, the Service of the applicant is years 18 and months 9 for which he is entitled to a Gratuity of 5 months pay, the appointment held by him being of the inferior Service, (vide Sections 38 & 63 of the civil Pension code).
The delay in the submission of this application was owing to the non-receipt, until the 22nd ultimo, of certain information regarding the applicant's Services from the Sub Collector's office.
The Service book of the applicant is herewith sent.
