D. B. F. Certified that I have carefully examined K Moonien. son of Veeraswamy a measurer in the Establishment of the Madras Salt Cotan. His age by his own statement 75 years and by appearance about 65 years. I consider K Moonien to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of old age and incipient Cataract in both eyes. This incapacity does not appear to have been caused by irregular or intemperate habits.
