Certified that I have carefully examined
Toty Parryamoot Camados, General N^o 2,948 son of
Karasados, of the Gun Carriage Factory. His age is by
his own statement 42 years, and by appearance rather
more, I consider Toty Parryamot Camados to be completely
and permanently incapacitated for further Service of
any kind in the Department to which he belongs,
in consequence of defective eye-sight and General
Debility. His incapacity does not appear to me to have
been caused by irregular or intemperate habits.—
