FROM

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed to submit the following case for the confirmation of the Government of India.

2. The applicant Adivi Bapirazu, late Classifier, Revenue Settlement Party, Cuddapah, was recently* granted an invalid gratuity of Rupees 240 calculated

*Pension Procs., dated 10th Jan. 1876, No. 11. on Rupees 20. The Accountant-General has objected on the ground that, as his pay at time of discharge was Rupees 15 only, the gratuity should be fixed at Rupees 180.

3. Report was called for on this point from the Director of Revenue Settlement. He states that the applicant's pay was temporarily Rupees 15, at date of retirement, though the pay of the post permanently held by him was Rupees 20. He explains that the applicant belonged to the field establishment of the Cuddapah Settlement, and that, on completion of their work, as no fresh district could at the time be assigned them, as a temporary measure, the field hands were employed on account work in the office; work that had hitherto been performed by temporary Gumastahs, otherwise the old hands would have been dispensed with, and Government would thus have suffered from the loss of experienced men. As the arrangement was really in the interest of Government and no fault of the applicant the Director requests that the Rules may be relaxed in his favor.

4. Under the circumstances I am directed to submit the case for the favorable consideration of the Government of India.

I have the honor to be,

Sir,

Your most obedient servant,

FORT ST. GEORGE,
21st March 1876.

Secretary to Government.

From R. W. LODWICK, Esq., Accountant-General, to the Honorable W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Fort St. George, 20th January 1876, No. 630.

Audit Department.

With reference to G.O., No. 11, of 10th January 1876, Pension Department, I have the honor to point out that the Officers of the Revenue Settlement Department, under the authority vested in them by G.Os., Nos. 706 of 25th May 1859, 1779 of 28th December 1859, and 936 of 2nd September 1873, Revenue Department, are in the habit of constantly altering the emoluments drawn by their

establishments provided they do not exceed the sanctioned rates. The applicant's pay was at the time of his discharge 15 Rupees and not 20 Rupees, and deductions for short work, &c., were made out of Rupees 15 and not 20 Rupees. Consequently the pay of the applicant should, it is submitted, be held to be 15 Rupees, and the gratuity should be calculated on that rate under Section 66a of the Civil Pension Code. If Government do not concur in the above view, I respectfully request that a reference may be made to the Government of India.

Referred to the Director of Revenue Settlement for remark.

FORT ST. GEORGE,
22nd January 1876.

(Signed) LORNE A. CAMPBELL,

Under Secy. to Govt.

From C. RUNDALL, Esq., Acting Director of Revenue Settlement, to the Hon. D. F. CARMICHAEL, Secretary to Government, Revenue Department, Fort St. George, dated Madras, 26th February 1876, No. 554—13.

Referring to your endorsement, dated 22nd ultimo, on the Accountant-General's letter to Government, dated 20th idem, No. 630, I have the honor to state that, under the strict interpretation of the rules, the gratuity should no doubt be calculated on Rupees 15, the sum actually drawn by the applicant, A. Bapirazu, at the time of his discharge; but I submit the following circumstances for the favorable consideration of Government.

2. The applicant belongs to the field establishment of the Cuddapah Settlement Party, and drew the full pay of the post of the Classifier, *viz.*, Rupees 20, while so employed in the field; but unfortunately for him, and others of the party, no fresh district could be assigned for work, and hence all the field hands have had to be employed in office on account work which might have, and at other times has, been accomplished by Gumastas temporarily entertained for the purpose on a monthly salary of Rupees 15, or sometimes less even.

3. There was no alternative but to either employ the field hands on this work, or dispense with their services. To do the latter would have deprived the department of the services of long standing and experienced hands, whom it is no easy matter to secure when needed. It was therefore imperative to adopt the other alternative, and in the interests of Government the rates of pay were temporarily reduced, hard as the measure was on the old servants.

4. Thus the reduction is due to a temporary expedient in favor of Government, and to no fault of the applicant. I suggest, for the consideration of Government, whether a relaxation of the rules may not be made in favor of cases like the present, and the grant of gratuity already sanctioned by Government confirmed.
