*Proceedings of the Madras Government, Public Works Department,

Read the following :—

No. 154. From Mr. J. A. HAMNETT, dated 5th March 1876, No. 4.

No. 155. ORDER THEREON, 11th March 1876, No. 638.

ESTABLISHMENT, No. 9.

It appears that inordinate delay has occurred in disposing of the papers for pension sent in by Mr. Supervisor Hamnett,

in accordance with G.O., No. 916-A., of 6th April 1875.

2. They were received in the Examiner's Office on the 8th May; checked and sent on to the Accountant-General on 27th idem; replied to on 3rd June, and returned to the Superintending Engineer for more information on 12th June.

3. With the Superintending Engineer they remained till 6th December; were again checked in the Examiner's Office, and returned to him again on 25th January. Since then nothing is known of them.

4. The Superintending Engineer is desired to explain his apparent inaction, and to avoid any further delay.

5. It is to be regretted that Rule I, Section 20, of the Civil Pension Code, 2nd edition), promulgated on 24th July 1874, escaped notice when the Order of 6th April 1875 was issued.

6. It does not appear what action was taken in the Examiner's Office on the petition referred to it for early disposal on 5th February.

7. It will be remitted for consideration in the Pension Department whether, pending final orders on the application, an advance of half pension may be made.
