Sir

In reference to your letter dated 17th January 1876, No. 48, communicating copy of the Accountant General's letter dated 5th January 1876, I have the honor to inform you that as Mr. Venkata Swami was old and incapable of doing his work, he was removed from the service on the 12th January 1876 but he did not apply for pension till the 7th of June when he was sent to the Civil Surgeon, Berhampore for medical certificate. I do not remember the time received the certificate which has been sent on to the Collector but on the 30th June the Gaujam Salt Superintendent was

was directed to send a list of his services. The list sent by him was incomplete and reached me on the 16th of July. On the 21st he was again ordered to send for the applicant and to take a statement of his services - which I got on the 25th of August and immediately sent it to your office for verification and your reply to it reached me on the 24th September, and neither the applicant nor the Superintendent sending service book the latter was directed on the 6th and recommended on the 29th September to send the same for submission to the Assistant General. - This reached me on the 12th October but your office having only verified the applicant's services up to 1864, the Ganjam Salt Superintendent was directed to send a statement of the applicant's services and leaves obtained subsequent to that year which was received

received in my office on the 29th November - her when the necessary information was entered in the service book and the application submitted to the Collector for pension on the 3rd December 1875.

Thus it will be observed that the applicant delayed sending his application for pension for more than 5 months after which he had to appear before the Zillah Surgeon and I had to write to the Division Superintendent repeatedly; his last reply giving me the necessary information reached me on the 29th November and the paper submitted to the Collector on the 3rd December.

I beg to add that my work as Salt Deputy Collector was so heavy from April to December that I could only stay two months at my head quarters. - I often had to do it from

from Division to Division leaving my
 clocks and records behind me:-

The Salt Superintendent of Campau
 will furnish you with the information
 called for in para 2 of the account
 General's letter. To save delay I have
 directed him to send you the information
 direct:-

Certified that I William Hope Boalch, Surgeon
& Agzillah Surgeon Berhampore, have carefully exami-
ned Mätha Venketasammy son of Mätha Guntatroydoo
Dean in the salt Establishment Gaujam District
His age by his own statement 62 years and by
appearance about the same. I consider Mätha Venk-
etasammy to be completely and permanently incapa-
citated for further service of any kind in the Department
to which he belongs, in consequence of old age and
double Cataract. His incapacity does not appear
to me to have been caused by irregular or intem-
perate habits.
