PENSION DEPARTMENT.

No. 234.

FROM

THE HON. D. F. CARMICHAEL,
Secretary to the Government of Fort St. George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

With reference to your Under Secretary's letter of the 19th January last, No. 345, I am directed to forward the annexed report from the Director of Public Instruction, dated 28th March 1876, No. 817, with its enclosure, furnishing the information called for.

2. I am to add that there is no case in which service in a grant-in-aid school has been counted towards pension, but the circumstances in this case clearly indicate that the strict enforcement of the rule will tell hardly upon the applicant.

3. There is no doubt that the temporary transfer would not have been ordered or the change accepted had the parties been aware of the consequences.

I have the honor to be,

Sir,

Your most obedient servant,

FORT ST. GEORGE,
5th April 1876.

Secretary to Government.

From Colonel R. M. MACDONALD, Director of Public Instruction, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 28th March 1876, No. 817.

I have the honor, in returning the accompanying letter, No. 345, of the 19th January, from the Under Secretary to the Government of India, to annex copy of a letter, No. 279, of the 21st February, from the Inspector of Schools, 4th Division, giving the information asked for.

2. There appears to be no case on record in which service in a grant-in-aid school has been counted towards pension.

From E. C. CALDWELL, Esq., Inspector of Schools, 4th Division, to Colonel R. M. MACDONALD, Director of Public Instruction, dated Arcot, 21st February 1876, No. 279.

Adverting to your Proceedings of the 7th instant, No. 272, referring a letter from the Under Secretary to the Government of India, raising a question on the application for pension of B. Subrayalu Naidu, lately Inspecting Schoolmaster in the Salem Circle, I have the honor to report

that, in deputing B. Subrayalu Naidu to take charge of the aided school at Guriathum, though no express stipulation as regards service for pension was entered in the documents connected with his employment in the school, I understood, as well as he, that he would not, by a temporary transfer, forfeit his previous service in the department, and I did so in the belief that there existed at the time a standing rule that a break of less than a year in regular Government service would not militate against ulterior claims for pension.

2. I am now confirmed in my belief in the existence formerly of such a rule by a reference to several officers of experience in the District Account Departments, and in any case I may repeat that Subrayalu Naidu's employment in the Guriathum School, which has always been regarded as a demi-official school, being under the management of the Subordinate Magistracy of the locality, was effected solely for the benefit of the service, and I venture to urge on this ground that he may be allowed the benefit of any consideration and indulgence that can be extended to him.

3. In reply to the question whether there is any similar case of service in a grant-in-aid school having been counted towards pension, I am unable to call to mind any such case. But I would observe, in the case of Subrayalu Naidu, that, even if his six months' service in the aided school at Guriathum be disallowed, he would still be qualified for a-third pension by his service under Government before and after the break.
