Explanation for delay 9

The applicant retired on 1st December 1874; his application for Pension was received from the Division officer on 15th December of the same year. On verifying his services it was found that records for some periods aggregating 53 months were not forthcoming in the Moozoor; the records of Sattiamungalam and Perindorai Taluqs were then looked up, and the applicant's affidavit and evidence of contemporary witnesses were obtained, which caused the delay.

2. Though the Medical certificate is dated Coimbatore 28th October 1874, the applicant continued on duty till 30th November 1874. This may have been owing to the necessity for obtaining the orders of the Division officer who

may have been on circuit. An expla-
nation has been called for from the
Division officer on this subject.

Certified that I C. J. Rogers Surgeon Major
Civil Surgeon, Combalore have carefully examined
Chenna Naidoo son of Kolapale Naidoo a peon in the
Sathiamangalam Taluq. His age is by his own statement
57 years and by appearance about that age I consider
Chenna Naidoo to be completely and permanently in-
capacitated for further service of any kind in the
department to which he belongs in consequence of
old age and debility. His incapacity does not appear
to me to have been caused by irregular or intem-
perate habits.
