This is to certify that I have carefully examined the measure
of Padaganda Soshiak of the
Salt Establishment of Padarte
Division of this District His age is by his own

statement 50 years and by appearance about 55 years I consider

the measure regular to be completely and permanently incapacitated
for further service of any kind in the Department to which he belongs, in
consequence of *old age and debility.*

His incapacity does not appear to have been caused by irregular or
intemperate habits. He has not been under general Medical treatment.
