,, Officiating Accountant-General, dated 31st March 1876, No. 105.
Memorandum to the Inspector-General of Police, dated 20th April 1876, No. 10.
From the Inspector-General of Police, dated 22nd April 1876, No. 1853.

### ORDER THEREON, 16th May 1876, No. 295.

His Grace the Governor in Council is pleased to sanction the grant of a gratuity of Rupees 96 to first-class Constable Adappala Lutchminarsu, No. 1068, of the Nellore Police Force.

2. The applicant has been allowed the benefit of the new Rules, as, on the record, the presumption is that the notice required by paragraph 4 of G.O., 10th June 1872, to effect that they were at liberty to reconsider their election made under G.O., 3rd October 1871, No. 1374, was not given to the Constables employed in the Nellore District.

3. His Grace the Governor in Council however considers it highly desirable that all doubt should be removed as to whether or not in each district the Constables concerned had the benefit of the concession allowed in the Order of 1872.

4. He therefore resolves to direct the Inspector-General of Police to institute immediately a careful inquiry in each district on the subject, and to obtain from every station a report or certificate that full and proper notice has been given. The position of every man in the service as regards the Rules should be at once definitely settled.

Sir,

Enclosures One

I have the honor to submit for the orders of Government an application for the grant of a gratuit Adappala Lutchminarsu 1st Class Constable No. 1068 of the Nellore District.

2. He has served in the Police Department for a period of 9 years 3 months and 9 days and was formerly employed in the Revenue Department for 14 years 10 months and 10 days and subsequently in the Revenue Settlement Department for 3 years 2 months and 14 days and is stated to have borne a good character.

3. He is now unfit for farther service as certifie

by

D/E

by the Annual Medical Invaliding Committee.

4. He is entitled according to his election under the Superannuation Fund Rules for qualifying service in the Police Department only to a gratuity of Rupees 72— But as he has to his credit a service of 18 years and 24 days in inferior grades in other Departments which would admit him to the benefit of 12 months' pay as gratuity Viz Rupees 96— under Section 107 Rule I had his election been under the new rules. I request that he be granted a gratuity of Rupees 96— as he seems to have made his election without the full knowledge of the advantages and disadvantages of the old and new rules and his own position in respect of service to guide him in arriving at a correct choice of rules.

5. With reference to the causes of delay in submitting the roll and the non-entry of the date of its application, the Superintendent of Police in his letter

No.

No. 383 dated 7th September 1875, gives the following explanations:—

"These rolls were first submitted in April the exact date was omitted to be entered in the rolls at the time and it is not now possible to ascertain it."

"The men having been discharged on 9th January 1875 and the rolls submitted in the beginning of April there was a delay of only 3 months and this was caused by references having had to be made to the Revenue and Judicial Departments regarding the past services of some of the discharged Constables and also owing to the pressure of business in this Office."

"The delay in retransmitting these rolls which were returned in May and June has been occasioned by the tardy receipt of replies to references made to the Jail, the Court, the Medical and the Settlement Departments."

Circulated for orders an application from the Inspector General of Police in behalf of 1st Class Constable Adappala Sutteluminarasu, (Nellore district) to effect that he should receive a gratuity of Rs 96, under the New Rules, instead of Rs 72 under the amount to which he is strictly entitled under the Old Superannuation Fund Rules.

All constables receiving less than R 20 a month were required (G.O. 3 Oct 71. No 1374) to elect between the Old & new Rules. The present applicant chose the Old, but as the Insp. Genl. points out, under a misapprehension of the relative advantages of the Rules

It is clearly most inconvenient that a matter of this kind shd be kept open so long. Govt call on the I.G. of P. & insist that enquiry in every Distt whether the instructions of 1871 were complied with & full notice given.

Govt give benefit of the doubt in this case

I think the presumption is that no notice was given in Nellore district & therefore the man shd have the benefit of the officers omission but peremptory orders shd be the Govt. in a previous case (G.O. 13 June 72 No 469) granted this indulgence but in para 4 of that order directed the Insp. General ~~would~~ to take steps to enlighten the Force on relative advantages of the rules, & give the men the opportunity of selection, as in that particular case there had been a distinct error in the statement placed before the men.

The Insp. Genl. has been asked whether this second opportunity was given in this case. From his reply it appears that there is nothing to show that the order was acted on in the Bellary Dist.

issued requiring the notice to be given & a certificate obtained from every district & station that it has been given

It is doubtful whether the present application should be complied with. Para VIII of the Resolution (15th Dec 71) runs "it should be understood that the election once made cannot be recalled".

PROCEEDINGS of the MADRAS GOVERNMENT.

READ the following ~~letter~~ application for the grant of a gratuity to Adappala Lutchminarsu, 1st Class Constable No. 1068 of the Nellore Police Force -

Order thereon 16th May 1876 No. 295

His Grace the Governor in Council is pleased to sanction the grant of a gratuity of Rs 96 to 1st Class Constable Adappala Lutchminarsu, No. 1068, of the Nellore Police Force.

2. The applicant has been allowed the benefit of the new Rules, as, on the record, the presumption is that the notice required

required by para 4 of G.O. 10 June 1872 to effect that they were at liberty to reconsider their election made under G.O. 3rd October 1871 No. 1374, was not given to the Constables employed in the Nellore District.

3. His Grace the Governor in Council however, considers it highly desirable that all doubt should be removed as to whether or not in each District the Constables Concerned had the benefit of the Concession allowed in the order of 1872.

He therefore resolves to direct the Inspector General of Police to institute immediately a careful inquiry in each District on the subject, and to obtain from every station a report or Certificate that full and proper notice has been given. The position of every man in the Service as regards the Rules should be at once definitely settled.
