To,

Sir,

In forwarding herewith an application for pension in behalf of Mahammed Khasim late peon of Nandigama Taluq as required in your Office Memo: dated 18th October 1875, I have the honor to report that the individual died on 31st July last, vide translation of an Arzi received from his son on 8th November: and that therefore the explanation required by you in in regard to the period of his suspension, cannot be sent. I understand from the applicant's deposition that he was out of employ for "a year or a year and half;" there is nothing on record to show the precise period. The officer who took his deposition tells me he understood him to mean he was under suspension the whole year and a half.

2. As regards the delay in the submission of the application, when he retired in July 1873 he was very ill and was laid up with paralysis at his house for one year and 5 Months. In December 1874 he once appeared before my Deputy to make a statement of his services and never again; so that for the verification of the several items frequent references had to be made to various quarters.
