Sir

I have the honor to submit for
the favorable consideration of His Excellency
the Governor in Council, the position of an
officer under my orders.

been submitted to Government.

3. He was entertained in the service of
the Nabob of the Carnatic on the 1st
April 1852 and served in the Depart-
ment Mr. Sawar. i. e. Darbar, or
Communications

Commissariat, till after ~~Nalot's~~ ~~Demise~~,
when he was transferred to the Agency
as one of the Officers to assist in the
investigation of the Sirkar Records.

4. He has continued in that
Capacity up till the present day -
and his good habits of business, the
facility with which he manipulated
the transactions in the accounts, his
acquaintance with the Sirkar Records and
modes of business made his services a
requisite and of great value in the
duties which devolved on me as
Commissioner, in settling the wage
and pension arrears Claims. Since
these were settled, his assistance has
been continued in the Commissioner's
Office and in the Agency, under
Order No 298 of 1861, in examining
the records in the matter of the petty
debts.

138
~~debt~~ ~~records~~ ~~notice~~
5 This duty, so far as the Records can
show on existing information has been
completed, some time ago and embodied
by me in three volumes of 1,200 pages
also in the Persian Language. I have
had framed a Debtor and Creditor
account for each dealer and servant,
and on the 3rd August last, in
accordance with Mr Boyson's views
I reported on all Cases finally decided
by me in a letter to the address of
the acting Government Solicitor,
Copy of which I have subjoined, and
I have since met him in Consultation
on the whole. All that remains
to be done, is to identify individuals
or their heirs as they appear, or to
receive the oral or documentary
evidence adduced by such as
choose to advance Claims, while
the

the Sirkar Records are of themselves
insufficient to establish or rebut.

6. This is a delicate but not
a difficult task, and under the
mode of procedure at present deemed
advisable requires that cautious
exercise of rejecting claims which the
terms drawn up by me for the reply
on the margin will explain. I mention
this to explain that the only officer
who now remains who has been throughout
working in the records and in the
Commissioner's Office is this gentleman,
whose position I submit for the
favorable Consideration of Govern-
ment. I have a highly favorable
opinion of his ability, his uprightness,
his diligence and judgment. I would
with much pleasure take him with
me as an auditor in the new Office
of Examiner of accounts, for which

188
I have had the honor of being selected,
and promised that he would there render
good service to the state. But I
could not with just consideration
for my successor in the Agency, deprive
my successor of the useful services of
one who has had such long experience
and who is familiar with the Persian,
Hindustani, Telugu, Tamil, Marhatta
and English languages.

7. What I recommend for him,
as Compensation of being thus pre-
sented, for the good of the state,
from receiving a permanent Govern-
ment Office is that the period
of his service under the Nabob,
and the intermediate period
from the 4th October 1856, of his
~~first~~ ~~service~~ under the Agency may be
as in the Case of Mr Paetzold, another
Officer
