Sir,

With reference to your office docket No. 863 of the 10th ultimo, I have the honor to inform you that I am unable to account as to why Mahamed Dewan's services prior to 1859 could not be traced from the records. His name is not to be found in the pay abstracts. The records of December 1867 however show that Mahamed Dewan was made to act from 15th December 1867 for one month in the room of a Suspended peon. Under these circumstances I have no alternative but to suggest the Striking out of the alleged service from June 1848 to January 1859. I therefore forward an application for a gratuity of Six months pay instead of a pension.
