Proceedings of the Madras Government, Pension Department,
4th July 1876. *No.* 409.

Pension.

Read the following papers :—

From the Acting Collector of South Canara, dated 18th April 1876.
,, Officiating Accountant-General, dated 3rd June 1876, No. 164.

ORDER THEREON, 4th July 1876, No. 409.

Under Sections 53, 56 (*b*), and 57 of the Civil Pension Code (Second Edition), His Grace the Governor in Council is pleased to grant to Vittal Bhima Rau, late Second-Class Revenue Inspector of the Kassargod Taluq, South Canara District, a superannuation pension of Rupees (8-0-9) eight and Pice nine per mensem, to which he is entitled for his qualifying superior service of sixteen years, eleven months, and five days, payable from the 15th June 1875.

2. It is observed that the amount of the average salary of the applicant for the last five years, as entered in the register submitted by the Collector of South Canara, differs from that calculated by the Accountant-General. This appears to be due to the inclusion of the period of leave without allowance contrary to Rule.* The calculation of the latter officer is correct, and the pension has been granted accordingly.

No 157.

Order from Chamier Esquire, Ag Magistrate of Canara, to the Tahsildar of Puttoor.

Arzi No 215 has been perused. It appears that, as the Magisterial officer, the Monegar and the Chukkabundi Duffedar as well as the Peons in attendance on them, were in the Kasba on the occasion of the great robbery which took place in the house of Uppinangady Narnabhatt and came to know of the same immediately on its occurrence, and that as the monegar and others did not immediately on their going to the Complainant's house, make any attempt to pursue and apprehend the robbers, and that as the robbery was committed solely in consequence of their negligence, order No 100 was passed to the effect that if the offence was not detected within a month they would be removed from the service. No report having been received thereon, order No 122 was issued to the effect that an Ittla should be made after taking explanations. Even on this your Itilla has not been received as yet. From the tenor of your present communication, it would seem, you are inclined to deal leniently with them, and therefore intended to submit your Itilla after detection, and investigation (of the case). As they have failed to detect the case within the time allowed, and as it appears that it was solely owing to their negligence that the offence of robbery was committed, it is resolved to suspend from this date, BhimaRau, the monegar as well as the Chukkubundi Duffedar and Peons who were all present in the Upparangady Kasba at the time the offence was committed, and it is hereby ordered (accordingly). Immediately on receipt of this order you will issue Takeeds for the suspension of the said Monegar BhimaRau as also for the suspension of the Duffedar and Peons who were present in Upparangady where the said offence was committed, after finding out who the several men were, and in due course recommend fit men to be appointed in their place. After issuing the order of

suspension you will also submit a list of persons suspended. You should further adopt proper measures for the detection of the robbery, detect the case and proceed according to law. The said Monegar & others are suspended for the period of 6 months. If the case is detected before that term, you will report also about these men in order that the matter may be enquired into and proceeded with. If the case is not detected before that term, such orders as may be deemed proper will be passed on your bringing the matter to notice after the expiry of the term. These persons should not be restored before obtaining further orders.

Dated Mangalore 10th July 1852.

P.S. You will communicate the purport of this order to all (Government) Servants in your Division. Dated as above.

Upon perusing reports Nos 647, 667, 673 686, and 716 made by you after holding enquiry in the matter of only one Jangar having been sent to Mr Engineer Drever and another Jangar destroyed instead of being sent to him as per Takeed given by you to Monegar Bhima Rau in pursuance of Huzoor order No 599, directing that the 2 Jangars kept at Marine yard in the Town of Mangalore should be sent to Mr Engineer Drever at Bolur for closing the Bolur Bar; upon perusing also Kotwals report No 4 and orders given to the Tahsildar of Puttoor Huzoor No 197 of Fasli 1262, and Police Tapsil No 157 of 1852 and upon examining personally the said monegar and others, it is ordered as follows:-

No 197.

Order from F. N. Maltby Esqre, Collector of ~~South~~ Canara to the Tahsildar of Puttoor.

Arzi No 244 has been perused. The 4 petitions Nos 87, 183, 184 and 200 addressed by you before, after, as therein stated, verbally examining Bhima Rau, the Monegar of Sullya &c who had personally appeared, have also been perused. On looking to the fact of the Razinamah, presented by both the Complainant Ishwara Bhatta of Panji Gudde in Puttur Magane, and the Defendant Mahabala Bhatta, in a dispute between the said persons in regard to a water course, having been written, by the said Monegar while under suspension from the Monegarship of Uppinangadi Taluk, and to that of his having written for the Defendants and others, a Petition opposed to the above Razinamah, praying that the said Razinamah may be annulled, there is reason to believe that he has for his own interest tried to revive his case, which was once compromised and settled. As, instead of advising rightly in the matter of a dispute arising between Ryots where the same had, come before him, he has acted as above stated, he does not seem to have behaved properly. Having been suspended for a period of 6 months, he seems to have been restored to his post after the expiry of half the term, in accordance with your recommendation. As the said Monegar having been once suspended, and not having been careful notwithstanding his suspension has committed the fault above stated, he will be suspended for the period of 1 month from this date. You will appoint a fitman for the said Monegar's post, during the period of his suspension, and restore the said Bhima Rau to his post after the expiration of that period and report as usual.

No. 1059. Reply

1 Details of Village Establishment were not given in the annual Returns from 1855 to 1860 for reasons stated in Mr J. D. Robinson's letter dated 1st September 1857 in reply to the Civil Auditor's letter of the 6th August 1857, No. 195, General Department, viz: that it would have made the statement too bulky by giving the names of the very large number of servants on the village Establishment without however serving any practical end. The services of Vittal Bheema Rao as Monegar on the village Establishment from 16th April 1855 to 30th September 1860, are sufficiently proved by the monthly Pay Abstracts.

2 Employment in the village Establishment in Canara and in situations, the salary of which exceeds Rupees 10 is

admissible as service qualifying for pension under the orders of Government dated 25th May 1860 No. 165 and 15th February 1861, No. 56, Pub. Dept., and 9th October 1866, No. 325, Pension Department.

Sir,

I have the honor to submit for the sanction of Government, the accompanying application for superannuation Pension, on behalf of Vittal Bhima Rau, late 2d class Revenue Inspector of the A Kassargod Taluk in this District.

2. I regret the delay in submitting this application which is chiefly due to the difficulty of verifying Petitioner's services which extended over a period of 35 years and which were rendered in several Taluks. Some time was also taken up in preparing anew the Petitioner's Service

Book in consequence of the printed copy of the same having been spoiled by inaccurate entries, and in getting the same signed by the Petitioner who, though several Takids were issued to him, did not appear for some time on the plea of sickness.

I have the honor to be,
Sir,
Your most obed.t Servt.

Under Sections 53, 56(6) and 57 of the Civil Pension Code (2d Edition) His Grace the Governor in Council is pleased to grant to Vital Bhima Rau late 2d Class Revenue Inspector of the Kassargod Taluq South Canara District a Superannuation pension of Rs (8-0-9) Eight and pice nine per mensem to which he is entitled for his qualifying Superior service of 16 years 11 months and 5 days payable from the 15th June 1875.

2 It is observed that the amount of the average

Salary

Salary of the applicant for the last five years, as entered in the Register submitted by the Collector of South Canara, differs from that calculated by the Accountant General. This appears to be due to the inclusion of the period of leave without allowance contrary to Rule[x] - The calculation of the latter Officer is correct, and the pension has been granted accordingly.-
