No. 435.

FROM

THE HON. D. F. CARMICHAEL,
Secretary to the Government of Fort St. George.

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed to submit the following case for the favorable consideration of His Excellency the Governor-General of India in Council.

2. Application has been made to this Government for the grant of a pension of Rupees 2-9-8 per mensem to Madras Dhunsing, late second-class Constable No. 232 of the Madras Town Police Force. He has served in the Police Department for a period of fourteen years, eleven months, and four days exclusive of the period of his suspension of one month and seven days. He is, under the ordinary rules, entitled only to a gratuity of Rupees 112, or fourteen months' salary, his service falling short by twenty-six days of the period requisite to entitle him to one-third pay pension.

3. The Inspector-General of Police supports the recommendation of the Acting Commissioner of Police for the grant of a pension of Rupees 2-9-8 per mensem in lieu of a gratuity.

4. With reference to his non-retention in service for the short period of twenty-six days, the Commissioner gives the following explanation: "On the Constable's return from sick leave he was worse in his sight, and was therefore sent to the Eye Infirmary for further treatment; he was detained there for some days and then discharged, the Medical Officer pronouncing him to be *totally blind* and unfit for further service. On the face of such an opinion it was not feasible to retain the Constable in order to make up the twenty-six days wanting to complete his period of service for pension; he was consequently placed before a Medical Board, who concurred as to his unfitness, and he was accordingly struck off."

5. Under the peculiar circumstances of the case His Grace the Governor in Council would recommend that this Constable be granted an invalid pension, but, as he is stated to have borne a "bad" character, that it be fixed at Rupees 2-4-0 only.

I have the honor to be,

Sir,

Your most obedient servant,

OOTACAMUND,
13th July 1876.

Secretary to Government.

From Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to the Honorable D. F. CARMICHAEL, Secretary to Government, Fort St. George, dated Madras, 26th June 1876, No. 2938.

I have the honor to submit, for the orders of Government, an application for the grant of a gratuity to Madras Dhunsing, late a second-class Constable of the Madras Town Police.

2. He has served in the Police Department in the Presidency Town for a period of fourteen years, eleven months, and four days exclusive of the period of his suspension, *viz.*, one month and

seven days. He is stated to have borne a "bad" character, and is now unfit for further effective service of any kind as certified by the Medical Invaliding Committee.

3. This individual is, under ordinary rules, entitled only to a gratuity of Rupees 112, or fourteen months' pay, under Sections 49, 98 (b 1), and 104, Scale A, of the revised Civil Pension Code according to his election of the Superannuation Fund Rules. But, as his service to a pension of a-third of his average pay for the five years last preceding is short by only twenty-six days of the period entitling him, I beg to support the recommendation of the Acting Commissioner of Police for the grant of a pension of Rupees 2-9-8 per mensem to him with effect from the 22nd May 1876 as desired by the applicant in lieu of the above gratuity.

4. With reference to his non-retention in service for that short time, the Commissioner of Police in his letter, No. 369, of the 20th instant, gives the following explanation:—

"On the Constable's return from sick leave he was worse in his sight, and was therefore sent to the Eye Infirmary for further treatment; he was detained there for some days and then discharged, the Medical Officer pronouncing him to be totally blind and unfit for further service. On the face of such an opinion it was not feasible to retain the Constable in order to make up the twenty-six days wanting to complete his period of service for pension; he was consequently placed before a Medical Board, who concurred as to his unfitness, and he was accordingly struck off."

Certificate of the Medical Invaliding Committee assembled at Madras on 22nd May 1876.

Certified that we have carefully examined M. Dhunsing, son of Persooramsing, a second-class Constable No. 232 in the Madras Town Police. His age by his statement is forty-eight years, and by appearance about forty-eight years. We consider M. Dhunsing to be completely and permanently incapacitated for further service of any kind in the department to which he belongs in consequence of advanced and permanent impairment of vision of both eyes. His incapacity does not appear to us to have been caused by irregular or intemperate habits.
