Chief Office of the Inspector General of Police,
No. 2282
Madras, 15th July 1876.

From

The Inspector General of Police,

To

The Secretary to Government
Pension Department -
Fort Saint George.

Sir,

Enclosure One.

I have the honor to submit for the orders of Government an application for the grant of a pension to Syed Gouse late a 1st Class Constable N^o 236 of the Madras District.

2. He has served in the Police Department for a period of 15 years and is stated to have borne an "indifferent" character. He is now unfit for further effective service of any kind as certified by the local medical officer.

3. This individual is entitled to a monthly pension of Rupees 4-7-5 with effect from the 20th June 1876 under Section 2 of the Police Superannuation Fund Rules according to Sections 49 and 104, Scale A of

the revised Civil Pension Code.

4. With reference to the medical certificate bearing the signature of a single officer and date prior to the discharge from service of the constable, the Superintendent of Police in his letters 212 dated 24th May and 276 dated 27th June 1876 explains that the unfitness for further service of the constable was not known at the time the Invaliding Committee sat at Madura in December last and that as there is only one medical officer at that station the signature of the second could not have been obtained. That the constable was retained in service for a short time after the date of the medical certificate agreeably to orders of Government in Pension Department No. 279 dated 1st June 1875 para 3 to entitle him to a pension in lieu of gratuity.

I have the honor to be,

Sir,

Your most Obedt. Servt,

M. Martin

Certified that I have carefully examined Constable No. 236
Syed Ghouse son of *Syed Mudeen Sal*
in the Police Establishment Madura. His age is by his own statement 50 years
and by appearance about 55. I consider him
to be completely and permanently incapacitated for further service in the depart-
ment to which he belongs in consequence of being old and worn out attended
by night blindness in one eye and total blindness in the other

His incapacity does not appear to me to have been caused by irregular or intem-
perate habits.
