ORDER THEREON, 7th August 1876, No. 487.

His Grace the Governor in Council is pleased, under Section 57 of the Civil Pension Code, to admit T. Krishna Row, late 5th Vernacular Clerk in the office of the Collector of Tanjore, to a superannuation pension of Rupees 15 per mensem, equal to half pay, for his qualifying service of thirty-four years.

2. It is observed that the Collector, in the application, excluded the applicant's service from the 18th February 1842 to the 30th April 1851, on the ground that he drew only a moiety of pay of the posts held by him during the said period, the other moiety being paid to another man.

3. His Grace the Governor in Council agrees with the Accountant-General in regarding such service as qualifying, in that the applicant's name only appeared in the annual returns as the permanent holder of the posts, and, further, the Government have not recognised the division of pay made by the Collector.

Sir,

In submitting an application re for pension on behalf of Krishna Row, 5th Vernacular clerk of my office, I have the honor to state that this individual has completed a service of 34 years. His service from 18th February ~~1843~~ 1842 to 30th April 1851 (ie $\overset{y}{9}$–$\overset{m}{2}$–$\overset{D}{11}$) does not qualify for pension as he seems from the record to have been made to draw only moiety of the pay of the appointments held by him permanently during the said period giving the

Vide translation of orders enclosed

that

other moiety to another individual who was also made to do public duties. The division of pay of an incumbent holding a permanent appointment, although strictly prohibited, was still made by the then collector not only in this but in several other cases. In the annual return, however, there is nothing to show this and his name appears as a permanent incumbent.

2. Deducting from his service the period during which he has been drawing half pay as above his qualifying service for pension comes up to only $\overset{y.}{24}-\overset{m.}{9}-\overset{d}{19}$ and thereby a service of 2 months and 11 days is wanting to entitle him to half pension.

3. As this individual has become permanently incapacitated by age for the performance of his duties, I was compelled to remove him under section 53 rule 2 of the Civil Pension code and I recommend, however, for the favorable consideration and orders of Government that the slight difference in the service vizt $\overset{m}{2}-\overset{d}{11}$ may be made good from the $\overset{y}{9}-\overset{m}{2}-\overset{d}{11}$ a period during which he was deprived of moiety of pay and pensionable service, so as to entitle him to half pension.

4. The application, however,

that

is drawn only for one third of pension under the rules.

I have the honor to be

It is observed

that the Collector, in the application, excluded the applicant's service from the 18th Feb. 1842 to the 30th April 1851, on the ground that he drew only a moiety of pay of the posts held by him during the said period, the other moiety being paid to another man.

His Grace the Governor in Council agrees with the Accountant General in regarding such service as qualifying, in that the applicant's name only appeared in the annual returns as the permanent holder of the posts, and, further, the Govt. have
