Memo.

With reference to paras 2 and 3 of the Deputy Accountant's General's memo dated 31 March 1876 within the undersigned has the honor to state that the Inspector explains that although his name is entered as John Jackson in Military Pension Certificate he always signed his name as J. W. Jackson the letter W representing his family name and that he still does so when drawing pension. When enlisted in the Police his name is stated to have been entered as J. W. Jackson in the Register of the District Office.

2. Correct date of his entertainment in the Military Deptt. is said to be 29 May 1840, although the date according to the service entered in the Pension Certificate appears to be 22 June 1840, as to this the Inspector states that he cannot say whether his service reckoned from that date or date of being passed by Doctors which was in June or from the date he was taken for Infantry which was also in June having been found to be under the standard height for Artillery for which he was first enlisted.

Sir,

Enclosure (one)

I have the honor to submit for the orders of
Government an application for the grant of a pension to
Mr John William Jackson late an Inspector of Police,
Madura District.

2. He has served in the Police Department for
a period of 15 years, 2 months and 29 days exclusive of
of the periods of 11 months and 16 days served when he
obtained leave to join the Police before the date of his
discharge from the 2^d Regiment C. L. I. on a pension
of Rupees 30 per mensem as a sergeant, in the Military
Department. He is stated to have borne a "very good"
character and is now discharged from the force as being

unequal

unequal for any further effective service through old age and infirmity.

3. This Inspector is entitled to a Superannuation pension of Rupees 66-10-8, per mensem, with effect from the 16th July 1876, equal to a third of his average pay for the five years last preceding, under sections 53 Rule 2, 56 (b), 57 and 96 Rule 2 of the revised Civil Pension Code.

4. With reference to the discrepancy as to his age^{as} given in the Military Pension Certificate and that calculated from the date of his birth given in the roll, the Superintendent of Police in his letter N^o: 131 dated 7th April 1876 gives the following explanation:-

"The recruiting sergeant while enlisting him in the Military Department put down his age as 22 years while he was only on the date of enlistment - 21 years and 6 days."

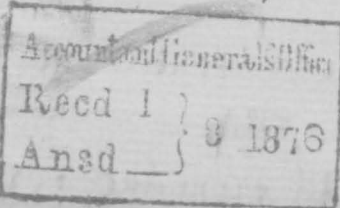

5. The roll is dated 6th May prior to the date of his discharge, as it was at first proposed to strike him off from the 1st May an arrangement which was not carried out till the 15th instant pending reference to this office.

I have the honor to be,
