AUGUST.

Pension.—Passing orders on the application of
 M. Venkayya Sastry, requesting the transfer of
 his pension to Benares.

SV
To,
The Chief Secretary to the
Government of Fort St. George.

Honorable Sir,

I most humbly beg leave to
represent that under permission of the Government
in February 1875, I assumed the Agency of the
Singeri Sannatan at Bangalore, and having
drawn my pension up to January 1876 at Poilpand,
arrived here in February, and during this period
I have performed many of the duties which
were prevalent for a long period and been also
surmounting various unexpected difficulties and
intrigues occurring one after another through
the underminings of several envious and
ambitious aborigines of this notoriously
barbarous country to which myself and my
family are quite strangers. And in consequence
of the approaching grand "Navaratri"
festival which takes place in September next
I am unable to leave this place just now. The
Venerable High Priest has enjoined me to
remain here and superintend the great charitable
expenditure

expenditure which will amount to about 10000
Rs on thereabouts on the occasion, besides the
amounts for minor festivals which take place
from time to time after the ensuing one. The
South West monsoon which is commonly
termed the "Sona Rain" commenced in June
last and is now in its prime, and as in all
"Malabar" Countries, it pours incessantly for
days together, which swells the Sona River
to such extent that it utterly impedes all
manner of traffic, nay even tappa
at times, these rains are believed to
terminate in October next. Although I may
be desirous of quitting the Country just now
yet under the circumstances stated above
it disables me there being no sort of
conveyance which is essential to perform
travelling in this my old age procurable.

As I intend to go on a
pilgrimage to Benares shortly I have an
ardent wish to get my pension transferred
to that Town and afterwards, to Voilpand
as usual, to which I have to return, if
I continue, in one or two years, and subsequently
to

70
to Madras, my Native Country thus availing
myself of 3 transfers.

I therefore humbly request that
His Grace the Governor in Council will
kindly be pleased to allow me to draw the
 arrears of my pension at Voilpand in the
Cuddapah District in December 1876 or January
1877, and also earnestly crave that the
protection conferred on me hitherto will be
continued during the remaining portion of my
life.

Pringery,
Coppa Talug,
Naggar Division,
Mysore Province.
30 - July 1876

I beg to remain
with due respect
Most Honorable Sir
Your most Obedient and
very humble servant
M. Venkataya Sastry
Pensioned District Munsiff
and Agent to the Pringery Sannata
