February to 30<sup>th</sup> April 1860, and 1<sup>st</sup> April to 31<sup>st</sup> July 1863 cannot be traced owing partly to the names of individuals not being entered in the Registers, and partly to the entries not being clear.

II The applicant is shown in the enclosed Service Register to have held the appointment of a writer on a salary of Rs 30 per mensem from 1<sup>st</sup> July 1859 to 31<sup>st</sup> December 1862, and on Rs 35 from 1<sup>st</sup> January 1863 to 10<sup>th</sup> August 1865. As these entries do not correspond with those made in the History of Service in the application for pension, explanation should be furnished of the cause of this difference. It should be also explained under what circumstances the 31 days in August 1865 period marginally noted has been omitted from the History of Service.

III For the periods of Service that cannot be verified from the records of this office or from those of the Range or District Engineer's offices, the prescribed affidavits should be taken, and such collateral evidence or statement of contemporary servants obtained to prove the applicant's continuous employment.

II It should be further explained whether the applicant's services as detailed below in the application from 1<sup>st</sup> May 1868 to 30<sup>th</sup> December 1872 have been verified by the District Engineer, Cuddapah, as found correct. From the and Registers of this office it is observed that the applicant was employed in the Cuddapah District from

IV The date of applicant's birth by Christian era and not his age should be entered against item 15 in accordance with Appendix A of the Civil Pension Code and more marks in the complexion of the applicant should be given against item 17 of the 1<sup>st</sup> page of the application with a view to identification being made certain.

Pension application of N.  
Arumugam Mood.

Sir,

Adverting to your Memorandum  
No 79 H. R. under date the 23<sup>rd</sup> December  
returning the Pension application sub-  
mitted on behalf of N. Arumugam  
late Head Accountant of Kurnool District.  
I have the honor to furnish the following  
information on the points therein referred  
to.

Para 1. Clause 1

2. The source from which the  
applicant's services were obtained

for the periods marginally noted, was

| Appointment    | Pay              | From                     | To           |

| D <sup>o</sup> | 35 <sup>th</sup> | 1 <sup>st</sup> June '63 | 31 Octr. '63 |

from his Service book, these services cannot be verified owing partly to the office establish-

ment not being

entered in detail in the Office copies of the Pay bills and partly to the records not being forthcoming. To clear doubts and avoid further reference on this point, re-examination of all the records in the District and Range Offices was ordered to be made in conjunction with the applicant, which produced the result as indicated in the enclosed statement.

#### Para 1 Clause II.

3. With reference to certain entries in the service book not corresponding with those detailed in the History of Service in the application for pension, I beg to observe that the entries in the latter were obtained from the Office copies of Pay bills so far as they admit of,

131 256  
in detail, and the entries marked in "not verified" were left for you to decide from the records of your Office. As regards the entries in the service book, it is to be remembered that a regular service book in the prescribed form for the applicant was not maintained until it was ordered in 1872 & the entries which have given rise to this reference appear to have been obtained from a copy of the Service

Register furnished by the Officer in charge of Badmilt Division when the applicant was transferred to that of Kandial in 1872; which copy is herewith enclosed for inspection.

4. As already stated above the service book was not regularly kept up, nor were the entries in the copy of Pay bills recorded in detail, therefore the absence without pay of applicant from 1<sup>st</sup> August to 21<sup>st</sup> Sept. cannot be traced and hence the omission of same from the history of service.

Para 1. Clause III.

5. The periods of service that cannot be verified either from the records of your Office or from those of the Range or District Offices are noted below.

9 Months in 1857. From April to Decr/57

5 — D° — 1858 — Jan'y. April. May. June & December

1 — D° — 1860 — April

4 — D° — 1861. — April to July.

To prove the applicant's continuous employment during the ~~above~~ periods he possesses a certificate dated July/59 from Captain Bechley, then ~~esq.~~ District Engineer, which, with an affidavit from the applicant, is herewith enclosed in original for your inspection.

Para 2.

6. In the absence of record in this Office of his service in the Cuddapah District the entries in the Service book were taken as correct and were accordingly detailed in the application. On a re-reference to the District Engineer Cuddapah, it is reported that the

14<sup>th</sup> 27<sup>th</sup> 6  
applicant was employed only upto — 30<sup>th</sup> November and not 30<sup>th</sup> December 1872

Para 3.

7. Rupees 8-4-0 was undrawn from the salary of the applicant for March/67 on account of fines inflicted on him for neglect of duty; and as regards the Rs. 2, the Range Officer, Madinapally, admits the applicant's having drawn 2 Rs. less of his salary for January 1869; but reports that it cannot be traced from the records in his Office for what purpose this deduction was made.

Para 4.

8. The applicant states that he is unable to produce the exact date of his birth by Christian era as the documentary evidence to that effect (called horoscope) was lost some years ago.

Para 5.

9. Columns 7 & 9 of the service Register have been completed with the signatures of the applicant and

of the Officer respectively, and the reason  
of termination "Reduction" appears  
to have been for neglect of duty.

10. The available original testi-  
monials are forwarded herewith in  
number (4) four for reference as requested,  
to be returned when no longer required.

11. With reference to the foregoing  
explanations the application for pension  
has been revised and enclosed here-  
with with 8 enclosures.

taken, as it should have been, before any officer. As a rule the affidavit should be taken before the applicant's immediate Head of the office or before a Magistrate, and this, it is requested may be done in the present one.

3 According to para I of this office No 79 R.R. dated 23<sup>d</sup> December 1875, and the enclosed statement, the following are the periods for which the applicant's services cannot be verified from the records of this office or from those of the Divisional and District offices.

The applicant's services for the first period have been verified from the records of this office.
