It appears from the Order of Government dated 4 October 1867, No: 3827, that the Govern-
ment of India have sanctioned the services of the Clerk of the Military Fund

but the applicant left that office on the 8th March 1858 to better his prospects in the
Madras Department, and was re-entrained therein on the 1st January 1859, as he
was however employed in that office at the time of the transfer of the Fund to
Government (16 September 1866), the whole period of his service is reckoned towards

 it is difficult to be sure that
 it might not affect some cases

Don't know that the difficulty
 arises from the Brit. Fund not
 being pensionary service then
 Mr. de C. left it. In fact not
 till it was made so with retro-
 spective effect as I suppose
 it is claimed in request + all
 of which had been in actual pay-
 ment at date of transfer
 on the same ground or footing
 as if their prior service had
 been continuous

memo for Order

Under Sec 16. Clause (d) of the
 C.P. Code, the service of officers
 who were in the establishment
 of the Military Fund when
 the Fund was taken over
 of Gov. counts towards pension -
 In this case the applicant who
 was in the Estab. of the Fund
 when it was taken over of Gov.
 had previously resigned the service
 and returned to it again -

The question is whether the
 previous service may count -
 It is submitted that it
 may as the object of
 the provision seems simply
 to place servants in the Estab.
 at date of transfer
 on the same ground or footing
 as if their prior service had
 been continuous

him under Govt. consequently
the pension negotiation with
a view to employment in a
Govt. of. (ordnance), may
be regarded as transfer
from one Govt. of. to
another —

The Order of 1872-12/Jan. 481 —
seems not to apply, as the
applicant was not in
the Fund Establishment
at date of transfer —

The decision in this
case will not affect
the Pension (Rs. 50) as
long as this service is
excluded. The applicant
will have much more
than Rs. 50 as he is entitled
to pension at the
same rate

See no objection. There
was no break in pensionable
service. Resignation was
a mere special form of
transfer from one office to another
and will not have any influence
on the above remarks of
connected. See also the case
of the Controller. It may be
precedent. Top. J. H.

I agree that the service should
count, but it seems unnecessary
to raise the question in
this case. M.
