I know Subnivis Sinayya Pantulu for more than 40 years. I entered the Government service in 1834, and was without employ for 7 years prior to 1842. When I was again appointed as a Samutdar in the Repalli Taluq. I had since held the Government service continuously up to 20th March 1862 when, the Taluq of Tenali where I was serving having been abolished, I was thrown out of employ. I was without service, for 3 years, when I was again appointed as the Mulky Writer of Karempudi which post, I resigned about a year ago.

During my long service in the Taluq of Tenali, Sinayya Pantulu was appointed in the year 1852 in that Taluq as Samutdar of Mulpur Muta and he was transferred to the Kondavid Taluq in 1859.

I know that he was holding Government service from 1843, but cannot state the different appointments held by him at different periods.

No 1791

The Vasireddi Estates were attached by Government for arrears of Revenue in 1842, and an establishment for their management was sanctioned by the Revenue Board in their Proceedings dated 17th January 1842. The estates were purchased by Government at a public auction held on 1st April 1846 & a state establishment was sanctioned in December 1846, and was entertained from 1st February 1847. From these facts it appears that the applicant's pay was charged to the estates from 7th January 1842 to 31st March 1846, and to Government under Extra charges from 1st April 1846 to 31st January 1847.

In answering your memo dated 19th January 1875 I have to state that the establishment lists sanctioned in December 1846, could not be found after long & diligent search, and had to be obtained from the Revenue Board Office. They were only received in the last week of October last — Hence the delay.

Sir,

I have the honor to forward, for verification, the register of services of Sabnivis Linayya, late Gumastah of Narasaraopett Taluq.

2. He retired on 1st December 1871, having passed 55 years of age. A draft application for pension was drawn up. The reason why then has

has been so much time lost in sending this in is that the Pensioner would not appear before me or the General Deputy Collector until I notified in the District Gazette that, if he did not appear within 6 months, his name would be struck off the records. This induced him to send a petition dated 11th August 1873, enclosed; and he also presented himself before the Deputy Collector, who then took down and sent me his affidavits &c. in December 1873. The information was still very incomplete. Several references had to be made to

to

the Taluqs: as the papers accumulated new facts came to light, and the draft register was arranged and re-arranged over and over again.

The Register is now in as complete a form as is possible under the circumstances, since the man has never personally assisted in the verification. He has been reported sick at his residence in Narasaraopett Taluq.

Sabnivis Sinaiya is a Cousin of mine — In 1843, when I was Head Gumasta of the Bapatla Taluq, he was appointed Samuldar of Vaddlapudi mutta in the Sattenapalle Taluq - & was thence transferred, some months afterwards, to a similar post in the Tadikonda Mutta of the same Taluq. He was again transferred to a similar post already in the Intakkr Mutta of the Chebrolu Taluq. He afterwards served as Samutdar of Mandam & Penumaka Mutahs in the Mangalagiri Taluq. In about 1846, I was transferred to the Kondavid Taluq when Linaiya was at Kutakki as Samutdar. While I was at Kondavid, he was transferred to a Maddatgarship of Tummurukota, & met me ~~here~~ at my station on his way. This was in about the year 1852. In 1853, I was transferred from Kondavid to Krosur and from Krosur to Guntur. I was here for about 4 years as Peishkar. In 1857, I was promoted to the Kondavid Taluq as Sheristadar and remained there till the end of August 1862. During this time, Linaiya was transferred from Tummurukota to the Samutdarship of Mulupur in the Tenali Taluq and from thence to the Samutdarship of Kondavid and Yadlapad in the Kondavid Taluq. I have retired from the Government service on 1st September 1862. When the Taluq of Kondavid was abolished,

in Consequence of the introduction of the new Police.

Linaiya was taken as an Inspector in the Taluq of ~~two~~ Rajapeta, as he was retained in Service at the abolition of the Kondavid Taluq. He continued in Service in that Taluq till he was taken as a clerk in the Inam Dy Collr office. He reverted to his permanent post in the ~~Ja~~ Narsaraopeta Taluq (formerly called Rajapeta Taluq) after some time and remained there till he was reduced on the ground of his having completed his 55th year of age.

I knew that Linaiya had at first served as Zafti Gumasta of Gudwada village in the Chilakalurpeta Taluq, for a few months. This was in about 1833 when I was a volunteer in the Huzur office at Guntur. I was shortly afterwards appointed a Gumasta on a temporary

As it was observed from your arzees No 177 - 201 - & 242 dated 3d 14th & 31st October & from their enclosures, that Mailavarapu Seshayya Samutdar of Nulakki Mutah of the said Tana has taken a loan of 12 Rupees from the amount of collection of his Mutah & so forth and as he has confessed that the statement that he took the loan of 12 Rupees referred to, is true, a Hukam No 254 dated 2d December has been issued directing that the said amount should be recovered from him. The act on the part of the said Seshayya who is a Government servant in receiving from Davuluri Appayya an applicant for renting a Village appertaining to his Mutah and in stating that same to be a loan, is not consistent with the probity of a servant -

Therefore the said Samutdar Seshayya is transferred from this date to the Samutdary post of Naddella Mutah in the Sattenapally

From the Mootahbandi Centage account of the Villages appertaining to the said Taluq which has been sent by you up to 11th July, it would appear that out of the demand Rupees 19966-1-5 on the Mootah of Mondasam, there is a balance of Rupees 1840-2-8, the centage thereof being Rupees 9-3-6. Altho' the centage on the Mootah is less by 3 Rupees & 0-8-0 below that of last year, yet the balance outstanding on the same, is larger than that on all the other Mootahs. As the centage of the balance outstanding on Penumaka Mootah is of Rupees 2-15-3, the Sumutdar of the Mootah by name Polaraze Nagaraze is considered to have been more active and is therefore transferred from the 25th instant to Mondasam Mootah, Sabbirsias Sinayya Sumutdar of that Mootah being transferred to Penumaka Mootah.
