Sir,

Enclosures. One

I have the honor to submit for the orders of Government an application for the grant of a pension to Kathan Servy late a 1st Class Constable No. 583 of the Madura District.

2. He has served in the Police Department for a period of 13 years 7 months and 29 days and is stated to have been previously employed in the Jail Department as a peon for about 23 years. His character is reported to have been good. He is now unfit for further effective service of any kind as certified by the Annual Medical Invaliding Committee.

3. This Constable is entitled for his Police service alone to a gratuity of Rupees 104 . . . or thirteen months' pay according to his election of Superannuation Fund Rules for service. But as he states that he had served in the Jail Department, before

before entering the Police for about 23 years and which fact is supported by the evidence of his two contemporary employes) request the grant of an inferior service pension of Rupees 4-- -- per mensem to him with effect from the 22nd December 1875 under Sections 49, 63(b), 71 Rules 4 and 5 and 107 of the pension Code for his combined superior and inferior service of more than 30 years in the Jail and Police Departments although his previous service is not borne out by official records of any kind and the District Session Judge states that Pay Abstracts of the subordinate Court do not contain details of names &c. to admit of verification of the service of the applicant.

4. With reference to the cause of delay in submitting this roll the Superintendent of Police in his letter No. 177 dated 4th May 1876 states that owing to the close of the year and the preparation of Annual returns for Administration Report nothing was done up to 16th February last. After which date application was made to the Collector for his previous service statement on receipt of his reply in the negative the constable was sent for and affidavit taken from him on 27th May. When the roll was received in this office it was returned for want of certain information regarding his previous service and with a view to his referring to the session Judge on the point. The roll was again received in this office only on 4th Instant.
