I

Certified that I have carefully
Examined Bhudari Mungappa son of Laxman
hog. Peon in the Salt Depot at Angali in
Chindapur Taluk. His age by his own statement
more than 60 years and by appearance about 62 yrs.
I consider Bhudari Mungappa to be completely
permanently incapacitated for further service
of any kind in consequence of Old age and
General Debility. His incapacity does not appear
to me to have been caused by irregular or intemperate
habits

VIDE your Application for Pension on behalf of Bhandari Mangajappa

The undersigned has the honor to request explanation on the following points—

1. Why was the applicant shown to have served as peon at Harpad Tanna from Oct: 1868 to April 1871 ^{while} from the Annual list of peons of 1869 & 1870 his name appears as peon at Gellur & Hemmar - cottars.
2. Cause of non-appearance of the applicant named in the peons list of 1871 in the above mentioned Cottar Estab^t. The name Bindary appears in the above list & not the applicants name.
3. Whether the applicant was also called by the name Mangajappa instead of by his full name.
4. What was the cause of applicants retraction

1 The applicant Bhandary Manjappa was
employed from 15th October 1868 to 30th April 1871 at
Gellur and Kemmadi Salt Kolars situated in the
Karnad Taluk (Division), hence he was shown as a
peon of that Taluk.

2 The name Bhandary as entered in the peon's
list of 1871 is a clerical mistake. The word Manjappa
appears to have been omitted.

3 The applicant was also called by the name
Manjappa

Encl¹

Manjappa instead of by his full name.
4 The applicant was permitted to re-
main in the service till 31st May 1876 or after
the Civil Surgeon had certified to his unfitness
for further service through an oversight, but
he was removed from 1st June 1876 when the
mistake was discovered.

5 The entries on the fourth page of the
applicant's service book have been translated
into English as requested and the book is
herewith returned.
