Rec'd No 629 of 1876

Madras
11th August 1876.

Breth. Genl. R. C. Stewart
Adjutant General

Honored Sir,

I beg leave most respectfully to lay before you the disheartening circumstances of my unfortunate case which entirely rests dependent in your merciful hands, for it can not be said sir, that the sympathy which I now look to you for, after a protracted service of 45 years in the Adjutant General's Office, is undeserving of some consideration, and as you are cognizant of the fact that my present infirmities is attributable to nothing else but the fatiguing duties I have all along been employed in, as Moschel, what I ask for cannot therefore be considered as wanting of every consideration.

I was entertained in this office as Moschel on the 1st March 1831 and as already stated, my services up to the present time over more than 45 years and during the whole period of my service I have

have always endeavored to render every satisfaction to my superiors in the steady and upright discharge of the duties entrusted to me.

I humbly beg leave to state that altho' I was reckoned in an inferior grade yet the duties, devolving on me, were not only laborious but responsible as I have all along undertaken to acquit myself to the satisfaction of my superiors in the capacity of a superior servant, as I was in charge of the office stationery and used to prepare periodical Indents, which required all entries of its distribution to be made by me and accounted for at the close of the official year and I flatter myself with the belief that I have never been found deficient or faulty in the discharge of these my duties which I all along was proud to perform as it appertained not to an inferior but superior servant and I can safely assure you of the fact that these duties are not performed by Mooshee in any other public office.

My services have also been made available as despatching Clerk, for during the absence of the permanent incumbent, whether on privilege or any other leave, I have conducted the despatching of letters, G. O. &c.

and

11
and have also drawn an acting allowance while so employed and it will be seen from this that my services were not entirely confined to that of a Mooshee but that it has been made available in the capacity of a "superior servant" very frequently.

Under these circumstances I must respectfully beg your honor will be kindly pleased to take my case into your favourable consideration and obtain the sanction of Government for my special services being reckoned as superior service and that I may be pensioned on half pay as a special case - for which acts of charity and kindness
