Pensions.

Read the following letter from the Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 20th September 1876, No. 372:—

Audit Department.

I have the honor to lay before Government the following case for submission to the Government of India for their orders on the subject.

2. On the ex-Gaekwar's arrival in Madras a certain number of Police were employed to guard him, and the Government, in their Order No. 1428, dated 25th June 1875, authorized the entertainment in the Town Police, at the cost of the Baroda State, of a similar number in lieu of those so employed. No provision can be found in the Civil Pension Code for pensions to these men as they are paid from the Baroda Revenues. It was not intended, I presume, that these servants should lose their right to pension because they are engaged on account of the ex-Gaekwar and paid from the Baroda State though serving under the orders of the Madras Government, more especially as they are liable for general service at any time, and a reference having been made to me on the subject by the Assistant Inspector-General of Police, I think it advisable to obtain orders for future guidance.

No. 138.

ORDER THEREON, 10th October 1876, No. 614.

The question raised by the Accountant-General will be submitted for the decision of the Government of India.

FROM THE ACCOUNTANT GENERAL

TO THE GOVERNMENT OF MADRAS,

TO THE *Chief Secretary to Government*
Pension Department

SIR, I have the honor to lay before Government the following case for submission to the Government of India for their orders on the subject -

On the 24th Quikwar's arrived in Madras a certain number of Talce were employed to guard him, and the Government in their order of 14th 28 dated 25 June 1876 authorized the entertainment in the Town Police at the cost of the Baroda State of a similar number in lieu of those so employed. No provision could be found in the first Pension Code for pensions to those men as they are paid from the Baroda Revenue. It is now intended I presume that these servants should lose their right to pension because they are engaged on account of the Q. Quikwar and paid from the Baroda State though serving under the orders of the Madras Government more especially as they are liable for general service at any time, and a reference having been made to me on the subject by the Asst. Commr. General of Police I think it advisable to obtain orders for future guidance.

I have the honor to be,

Sir,

Your obedient servant

W. H. Odier
