An affidavit taken from the applicant and 2 statements from the contemporary employers answering for the cause of retirement from service are herewith sent with translations. CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that (subject to the remarks below recorded) qualifying service in {inferior} grades has been duly proved for 32 years 11 months and 10 days; and that an {annual} gratuity not exceeding Rs. 36-0-0 equal to five months pay, is admissible under Section 63 (a) of the Civil Pension Code. The calculations have been duly verified.

The applicant it is stated had not claimed this allowance till 21st September though ignorant of rules nor had the Collector preferred a claim on the applicant's behalf. Neither a medical certificate of applicant nor the certificate of the Head of the Office is filed. Still the fact of applicant's resignation of appointment in June 1873 on the score of old age and infirmity having been accepted is in itself a sufficient proof of his inability to serve longer. His age was then about 70 years. It is also to be observed that the applicant's post was given to his son on his resignation, but this does not seem to affect the applicant's present claim, as he did not absolutely resign in favor of his son.

The Collector's recommendation for the grant of half pay pension is not admissible inasmuch as the rule limiting the length of service for pension to 30 years only was not in force till 24th September 1876.
