ORDER THEREON, 15th November 1876, No. 691.

Under Sections 53, 56 (b), and 57 of the Civil Pension Code (2nd Edition), His Grace the Governor in Council is pleased to grant to Letminarayanapuram Gramom Iswara Putter, late 2nd Vernacular Accountant in the Collector's Office, Malabar, a superannuation pension of Rupees (11-7-11) eleven, Annas seven, and Pies eleven per mensem to which he is entitled for his qualifying superior service of sixteen years, eight months and fifteen days, payable from the 6th September 1876.

2. As it appears that the average salary of Letminarayanapuram Gramom Iswara Putter during the last five years of his service was Rupees 34-7-9 and not Rupees 33-15-10 per mensem as entered in the register, the amount of pension admissible to him has been altered accordingly.

Translation of Extract from an order is-

Calicut, dated 20th November 1855, No 56.

The Superintendent has been furnished with
a copy of the decision passed in the case of de-
ficit money in the Treasury of the Custom House.

As I have been convinced that the
marginally noted individuals now doing duty as
Gumastahs in the Custom office
have not properly and honestly
discharged the duties of their
appointments, they are degraded
to appointments of lower pay; and the two men
noted below have been directed
to do duties in the Custom house.

AUDIT DEPARTMENT.

17th Oct
Fort Saint George,
Accountant General's Office,
12 October 1876.

FROM THE ACCOUNTANT GENERAL, MADRAS,

TO THE Collector of Malabar

VIDE your Application for Pension on behalf of Jewara Putter
late 2^d Vernacular Accountant Agent.

The undersigned has the honor to request explanation on the following points.

1. What was the cause of non-entry of the Stamp Deptt. in the Annual Return of 1 May 1859 and 1860 -
(a). Whether the Stamp Estab^t was permanent or temporary -
(b). From what source was the Estab^t paid - is whether from the General Revenues or from other sources -
Why was the Appl^t. shown to have been a permanent Accountt. Sea Customs Estab^t Agent from 21 November 1860 while from the Annual Return of 1 May 61 he appears to have been only an acting Accountt. in the Native Account Deptt. Agent.
Whether the above mentioned post was a full vacancy from 21 Novr 1860. and if so how was it caused -
Why 21 November 1861. was entered as the

the date of appointment of the app^t to that post in the Annual Return of May 1862 instead of 21 November 1860 as given in the register of application -

M. H. M. M.

Accountant General

Reply.

The undersigned has the honor to submit the following explanation:

1. The Stamp Department was not entered in the Annual Return as it did not form a portion of the regular fixed establishment of the Nazir Office.

(a) The Establishment was of a permanent character and the detailed distribution of pay was subject to the orders of Government. The applicant's service in the stamp Government of Madras Government, dated 20th October 1873, No 542 and 13th January 1874, No 13, embodied in the Revenue Board's Proceedings dated 3rd February 1874, Miscellaneous No 716.

(b) The establishment was paid from the Revenue derived from the Sale proceeds of Stamps.

2. The applicant was a permanent Vernacular Accountant (Sea Customs Department) one of the 4 additional posts sanctioned for this District in the Madras Government Proceedings dated 18th October 1860 No 1905. The applicant was permanently appointed thereto as per Collector's orders dated 21st November 1860, No 122, translation of which is herewith forwarded. Two of the

the above mentioned posts, being vernacular accountants were shown in the Pay Abstracts and annual Returns under the native Account Department, Nazir. The word ^{Account} only shown in the Return is a clerical error.

3. The post referred to was the one of those newly sanctioned as stated above.

4. The entry 21st November 1861 in the annual Return is a clerical error. It should be 21st November 1860. Vide Nazir Pay Abstract for November 1860

REMARKS BY HEAD OF OFFICE.

The applicant's character and conduct were such as to entitle him to the pension recommended.

In a case of deficiency found in the Cash Chest of the Calicut Sea Customs House, the applicant with two others was degraded on the 5th November 1858, on the ground that he and others did not properly and honestly discharge the duties of their appointments as will be seen by the accompanying translation of extract from the Collector's order dated 20th November 1858, No 56. But, the applicant afterwards held appointments on salaries varying from 10 to 35 Rs per mensem and his subsequent conduct appears satisfactory as will be seen from his Service Book herewith submitted.

This is to certify that the applicant is inefficient owing to age. In some of the Paye Sheet above, the applicant's village name is given. *[Signature]*
