CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.
If the applicant's service from 14 August 1850 to 31 July 1878 be accepted by the Government, he will be entitled to a pension of Rs. 15 per month, and that an invalid pension of Rs. 15 per month, is admissible under Section 56 (4) of the Civil Pension Code. The calculations have been duly verified. It is observed that the applicant retired on the 31 July 1878 under the impression that he had completed 25 years service but that on verification of his service by this office it was found that the total qualifying period of his service was 24 years 11 months and 11 days or 19 days less than the period required to entitle him to pension of Rs. 15 per month for which he had been recommended by the District Engineer Trichinopoly.
