Takid from A. Ramanjulu Naikar
avergal
Ag Deputy Collector
Madura

To,

Theruvengadam Pillai
Salt Superintendent
Vyravanadapatam Division

In an order dated 1st May 1875 No 188 you were informed that Sattiappan and Saminadan, officers of your Division, were punished the former by reduction from his post of Measurer to that of Vettyan and the latter by dismissal from the post of Vettyan for neglect of duty, for having disobeyed the orders of the Superintendent and for previous misconduct.

Upon a perusal of the petitions respectfully presented by them on the 6th and 18th of May last I proceeded to to the station on the 27th May last and made a reinquiry into the matter, which though it led to a documentary substantiation of two charges made against them by the Superintendent, shows that Sathappan has been in the service for 35 years and the other for 26 years. In consideration therefore of their services I think a moderate punishment will suffice. In the case of Saminathan Vettyan, I reverse the order of dismissal into one of suspension, and consider the period of 1½ months which has elapsed, after the date of his dismissal as the period for which he was suspended; in the case of Sathappan I think that 1½ months degradation to the post of Vettyan to be a sufficient punishment. I accordingly restore them to their former appointments but transfer

transfer

transfer Sathappan, measurer to Morekulam Division and Alaku measurer of Morekulam Division to your Division: Vettyan Saminadan to be vettyan of Vattanana Division and Kalimuttu of this division as Vattyan of your Division.

You are to make the alterations in the Pay abstract.

Before P. Subbier

Deposition of Sathappan Measurer of Attengarai division.

In my Service Register prepared and sent up by Thiruvangadam Pillai Salt Superintendent of Viravanadapatam, while I was Measurer in the Salt pans of that division, the year and the date of my birth is entered wrongly. I was not borne on the 10th of Avani in the year Supanu, but on the 10th Avani of the year Boguthani. My father had noted down the correct year and date of my birth, in a piece of Cadjan leaf which was kept in my house at Ramnad; ten years back the house caught fire and so this was lost in the fire. I give this out from my memory - What I said was 10th Avany year Boguthany which was I believe, by a slip written into Supanu.

Rengaiengar Superintendent of Vattanam knows the particulars of the cudjan leaf above alluded to.

Solemnly affirmed before me this 7th day of July 1876.

Before P. Subbier

Affidavit of M. Rengaiengar Salt Superintendent of Vattanam Division.

Sattapan late measurer of Attengarai salt pans, who has now applied for pension was in 1847 employed as a peon in the Salt pans of Ogundangudi division. He was then about 30 years of age. In the March of that year I was employed as Chowkidar of the same division. I was then 25 years of age. I cannot exactly tell the year & the date of his birth: but from some faint associations I recollect that he was four years older than myself. I was born on the 13th of Masi in the year Chitrapanu.

The records of the Branch Treasury support the fact of his (applicant's) having served as a peon in the salt pans of Theethandathanam till Nov. 1858 and in December 1863. From the yadast received from the Branch Treasury, it appears that he was doing duty in the salt pans of Muthuregunathapatam & then took leave in the months of June & July 1861. The yadast received from the Vattanum Division & the yadast and order of the Sea custom Office Tondy, show that, he was in the month of August 1862 sent to do duty at the Tondy Sea Custom Office. REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. During the latter part of the Service especially from 1875 the applicant appears to have been indifferent to his work. I believe it was due rather to his growing old age.

2. Explanation of any suspension or degradation. Was degraded for a period of one month and 17 days or from 1st May to 17th June 1875 for insubordinate conduct. Vide order dated 17th June 1875, No. 263. (copy enclosed).

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX. None.

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it. The applicant is unfit for any sort of public Service as will be seen from the Medical certificate enclosed.

5. Any other remarks. The service Book of the applicant is herewith forwarded. There is a difference of four years in the age of the applicant as entered in his Service Register prepared in 1874 and as stated by him now. From the certificate of the native Surgeon and from the affidavit given by the salt superintendent of Vettanam Division (both enclosed) the applicant's age may be presumed to be about 60 and that the entry in the Register was not correct.
The delay in submitting this application was occasioned in consequence of the absence of the superintendent of Vattanam on leave. He presented his affidavit only on the 31st ultimo.
