Read letter from the Controller
of Public Works Accounts dated 13th
October 1875, No. 39B. requesting to be
informed whether the Establishment
is to be considered as temporary or
permanent, and if the latter whether
it counts towards pension.

The Establishment em-
ployed for the conservancy of the
river embankment between Polaram
and Viziswaram appears to have
been originally employed for only six
months in each year, but in 1868,
on the recommendation of the then
Superintending

Superintending Engineer of the
1st Division, it was allowed to be
maintained throughout each
year and has been so kept up ever
since 1869-70 from Local Funds,
because the sale proceeds of grass on
the embankment were credited
to those funds.

2. The provision for the cost of the
Establishment in the ensuing year's
Budget of the Ellice Circle has
been struck out as the grass
rents have been transferred to
Imperial revenue and the
question has been referred to the
Public Works Department for con-
sideration. Vide para 5 of G.O.F.D.

that the Establishment in question
must be regarded as a temporary
one, considering that it was

ceeds of grass &c which cannot
be looked upon as a permanent

Sir,

I have the honor to forward
for transmission to Government and applica-
-tion for the grant of a compensation gratuity
to Shordury Sarrabarrak late Superintendent
-dent, Polavari River Embankment
Godavari District; and to state that the
applicant's services from 29th July 1846 to
20th November 1853 will not qualify
owing to their having been rendered on the
Temporary Establishment.

From 21st November 1853
to 31st May 1868 the applicant was employ-
-ed on the Cotservancy Establishment
and the latter date his appointment was
abolished, and he was then appointed as
Superintendent on the Polavari River
Embankment in the Godavari District.

I am

In this capacity he was employed up to the 20th April 1874 and which date he was pronounced to be physically unfit for further service. His services, however, were not dispensed with until the 15th June 1874

3 It has since been ascertained from the Board of Revenue that the Estab-
lishment maintained for the Polaram River
Embarkment must be regarded as temporary.
The total period of qualifying service rendered
by the applicant is, in consequence, 13 years
10 months and 1 day, and not 19 years 10

months and 10 days as entered in the His-
tory of Service of the application

4 The applicant therefore, is
only eligible to a gratuity of Rs 216 equal to
12 months pay under Sections 48 and 56(a)
of the Civil Pension Code

5 It is considered that the
applicant is eligible to the gratuity not be-
cause he was in April 1874 pronounced
physically unfit for further service, but
because his appointment to the permanent
Establishment in May 1868 was abolished
