Application for Pension on behalf of Saminathan Vettyan Vattanam Division Madura District.

12895

17th July 1876.

Before P. Subbier
Dy. Collector of Madura

Affidavit of Saminathen living in Vattanum, son of Veeruppa Pillay and Vettyan of the same division on oath.

I was first entertained as a Mashalgy of the Salt Head Cutcherry at Ramnad. I think it is in 1835, so I remember. I served in that capacity for 7 or 8 years. Then I was taken as a measurer in the salt-pans of Shethandathianum where I served on a salary of Rs 3 per mensem for 3 years. On the arrival of Shaik Ali the permanent incumbent, I served as a battah-peon for 4 or 5 months in the Head Cutchery. Then I was taken as a Mashalgy of the same office on a salary of Rs 3 per Mensem. Shaik Ali resigned his post as Measurer and went away as a police Duffadar, of the Zemindary, which appointment he also resigned and then applied to his former post of Measurer, his application was accepted and he was accordingly reinstated. I was therefore left unemployed for 4 or 5 months. My services were not dispensed with for any fault of mine. I remained in the said Mashalgy's post for about a year. Then in the year in which the police Amin Cutchery was established at Thiruvadanei I was appointed Mashalgy of the same

Cutchery

Cutchery on a salary of Rs 3 per mensem which office I held for about 6 or 7 years. I was afterwards entertained as a peon of the same office on a salary of Rs 4 per mensem. My services were discontinued on the organization of the new system of Police. I remained unemployed for 3 months. Then I acted for 3 months for a peon in the Sea Custom office at Kelakarai, who had been suspended and for 3 months for another in the Salt-pans of Valamanur who was on leave. I was then taken as a peon of Vattanum division, in which capacity I served as long as there was room for my services and was then unemployed. A month after I was made the Vettyan of the same division

-sion, which post I held for nearly four years. I was then transferred to Vyravanadapataim in place of Muniyan transferred to Vattanum and there I remained till the last year, when I was retransferred to this division. The undermentioned persons who worked with me from the date of my appointment as measurer in the salt-pans of Shethandathianum, till my services as peon of Thiruvadanei were dispensed with, will attest to the various situations in which I have served at different periods.

Affidavit of Mayappan, revenue peon of Tiruvadanei Firka

Saminathan, now Vettyan of Vattanum Salt-pans, was a Mashalgy of the Salt Head Cutchery of Ramnad, in 1845 when I was transferred from that office, as a measurer to Cholakudy Salt-pans. In 1853, when I went to Thiruvadanei as a police peon, he was a Mashalgi of Thiruvadanei Firka, where he served for 5 or 6 years. He was then taken as a peon of the same establishment and after serving in that capacity for about a year and half, he was thrown out of employment by the introduction of the new scheme of Police in June 1861. I do not know where he was employed afterwards. I have also seen him as Mashalgy of the Salt Head Cutcherry when I had gone there from the Salt-pans of Choliakudy for remittance. I now remember that he was not in the Head Cutcherry for an interval of 2 or 3 years; but I cannot say where he was employed during that period

I heard what was read to me, and it has been rightly taken down

To,
Thiruvengadam Pillai
Salt Superintendent
Vyravanadapatam
Division

Read your Arzi No 84 of the 14th July last.

Upon an inquiry into the matter of the arzi conducted on the spot, I come to understand that peon Nelamagan instigated two of the constables on duty to connive at his stealing salt; these have reported the matter immediately to the Salt Superintendent and the Inspector of the Division through the Head Constable.

Nelamagan speaks of a grudge between himself and the constables consequent upon his having checked them in their unjust proceedings; but he could neither say what these unjust proceedings were nor had he as he ought reported them to the Superintendent at the time; Nelamagan's story is therefore incredible.

The complaint of certain women, that Nelamagan and other workmen mentioned in the margin, molested them and wring from each of them 1 fanam, confirms what the Superintendent had already reported viz that they are in the habit of going to unguarded Salt pans in the vicinity during night for the purpose of stealing Spontaneous Salt.

Alagu, Measurer, Saminathen
Vettyan-Raman
Munyandy
Rakkappan.

From the fact that Nelamagan and his companions tried to procure the connivance of the Constables for stealing salt from the pans guarded by them, it may be fairly presumed that they are addicted to stealing Spontaneous Salt from pans which are left unguarded.

Further Nelamagan was transferred from Morekolam to Vyravanadapatam for misconduct and the same Nelamagan while employed in Vuttanam Division was once dismissed by the former Dy: Collector for disobeying the orders of the Superintendent.

Of the others associated with Nelamagan I have heard that Vettyan Saminathen is a notorious character, on personally seeing him I am of opinion that no other grounds are necessary for dismissing him from the service. The Superintendent is right in thinking that it was the bad example set by him, ever since he came to Vyravanathapatam, that induced similar failure of duty in others. Both Nelamagan and Saminathen deserve to be dismissed from the service, but it is only in consideration of their long service that I desist from adopting so severe a step and suspend both of them for 6 months.

I go with the superintendent in thinking that the other servants mentioned in the margin were spoiled by Saminathen and Nelamagam and in consideration of their previous good conduct I suspend them for 3 months. You are to appoint substitutes for all these and report in due course.

to Thiruvengadam Pillai
Salt Superintendent
Vyravanadupatam Division

Read your Arzi dated 26th May 1875 No. 55 and its enclosures. Your Arzi and the yadast you received from the Station house Head Constable tell me that on the evening of the 20th Ultimo Sattappan measurer of the above Division and Vettiyan Saminathan with several others were playing at cards with some constables in a line opposite to the police station. Further from the enclosures to your Arzi I learn that Sattappan measurer was on a former occasion transferred from Muthuragunathapatam to your division for neglect of duty and that from an overanxious motive to favour the ryots he has since been neglecting his duties and disobeying your orders.

Vettiyan Saminathan seems to have been suspended for 3 months for stealing spontaneous salt from the salt pans of Uppur and that he
is

is not even now punctual in the discharge of his duty and disobeys your orders. I therefore degrade measurer Sattappan to Vettiyan's post on Rs 5 in place of Saminathan and dismiss Saminathan from the Service. Volunteer Ramalingam is appointed as a measurer

Takid from A. Ramanujulu Naiker avl.
Ag: Dy Collector, Madura.
To Thiruvengadam Pillai
Salt Superintendent
Vyravanathapalam Dn.

In an order dated 1st May 1875 No. 188 you were informed that Sattappan and Saminathan, Officers of your Division, were punished the former by reduction from his post of Measurer to that of Vettyan and the latter by dismissal from the post of Vettiyan for neglect of duty, for having disobeyed the orders of the Superintendent and for previous misconduct.

Upon a perusal of the petitions respectively presented by them on the 6th and 18th of May last I proceeded to the Station on the 27th May last and made a re-enquiry into the matter, which though it led to a documentary substantiation of the charges made against them by the Superintendent, shows that Sattappan has been in the Service for 35 years and the other for 26 years. In consideration therefore of their services, I think a moderate punishment will suffice. In the case of Saminathan Vettiyan I reverse the order of dismissal into one of suspension, and consider the period of 1½ months which has elapsed after the date of his dismissal as the period for which he was suspended; in the case of Sattappan I think that 1½ months degradation to the Post of Vettiyan be a sufficient punishment. I accordingly restore them to their former appointments, but transfer Sattappan, measurer, to Moreolam Division, and Alagu, measurer of Moreolam Division to your Division; Vettiyan Saminathan be Vettiyan of Vattanam Division and Kalimuthu of that Division as Vettiyan of your Division.

Your are to make the alterations in the Pay abstract.

1 The Records of the Vyravanatheapatam Station clearly shew that the applicant was a Vettyan there from the 23d September 1868 to 30th April 1875 except 18 days in 1872 when he was employ:ed in the Vattanam Division. The Pay abstract for March 1869 the last month of the official year 1868-69 proves that Samanathen was Vettyan at the former station. Such being the case I cannot understand why his name was omitted in the Annual Return of 1869. It is probably due to over:sight or mistake.

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant.

There is nothing on record against the Applicant's character until 20th October 1870. The predecessor of the present Salt Dy Collr appears to have entertained a bad opinion of him afterwards. Vide order A enclosed.

2. Explanation of any suspension or degradation.

The first suspension appears to have arisen under a supposition that the applicant in connection with his brother servants was helping the pilferers of spontaneous salt and for general misconduct. Vide orders A and B.

The 2nd suspension was for general misconduct and insubordination. Vide orders C and D.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX.

None.

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it.

From general debility owing to old age the applicant is unfit for any other employment.

5. Any other remarks.

In consideration of the character which the applicant has borne during the latter part of his service a reduced rate of pension has been recommended. The Service Book of the applicant is here with forwarded.
