Head Munshewally Doss is a very deserving public servant and has always most faithfully discharged his duties in this Establishment. He has long been the Cashier and has fulfilled his trust with scrupulous exactness. I have always prized his services, & most gladly offer him this public acknowledgment of my approbation of his zealous & faithful services. Camp (Sig.) Jos. MacVicar Asst. Agent in H. To. During the greater portion of the time he served in the Agency he has had charge of all receipts and disbursements connected with the Department and has always proved himself a most correct and careful Accountant. Captain Stuart begged me to bring to your
notice the very useful and plucky services of Kalidoss
Sub-Magistrate of Sooradah. He did his best to
induce the Khonds to come to reason up to the time Captain
Stuart marched in. He then joined him accompanied
him through the severe service and has now gone to the front
with him. - (Signed) W. Robinson
Inspector General of M. Police

This Officers Conduct during the Khond insurrection has been
most praise worthy. He went up in to the Bodogodo
Malias with Captain Stuart accompanied him in
his attack on Tingene podro & followed his camp as far
as Tumiribunda affording him very valuable service
through out. -

I have known Kalidoss some years and have
thorough confidence in him. He is sagacious & resolute.

to the successful result of operations by his shrewdness and
active life. - 15. May 1867. (Signed) G. P. Forbes

I consider Kalidoss a very good Officer in every
way. He has great experience in all matters more
particularly and is trusted by the Hill people. -

Certified, that I Henry John Beach
Surgeon Major, and Agzillah Surgeon Berhampore
have carefully examined G. Kalidasu, son of
G. Nursingrow, a 2nd class Magistrate and
Deputy Tahsildar of Sooradah in the judicial
and Revenue Department Ganjam District; -
His age by his own statement 54 years, and
by appearance about 54 years. I consider
G. Kalidasu to be completely and permanently
incapacitated for further service of any kind
in the Department to which he belongs, in-
consequence of approaching old age, impaired
eye sight, and a weakened constitution, the
result of frequent attacks of Malarious
Fever whilst on duty in the Maliah Hills; -
His incapacity does not appear to me to
have been caused by irregular or intemperate
habits -
Has not recently been under medical treatment

possible - It seems clear therefore
that the Government contemplated
the termination of their former duties
of those persons on or before that date.

Sir,
In reply to your letter No 2294 dated 5th June last I have the honor to state that in the absence of details in the Audit Registers prior to 1864/65 the services of Kanago Kah'dasa cannot be verified by this office. It appears that the charges of the Medical Agency Establishment only received a proforma audit in this office. They were probably papered in your office the first instance. Should your records be found insufficient for the purpose in view I would suggest that a reference should be made to the Comptroller General

General to whom the Pay Abstracts
were forwarded after Audit.

From the papers I have already
delivered in your honor's Office with my
service list, your honor will observe
that I sent myself very meritoriously
in the Mexican Agency. I have also
received an honorary reward of \$500

recommendations of the then Agent.

think these papers will be sufficient
proof of my long service in the late

favorable consideration of the Accountant

Lately some of the Mexican Agency

employed as Sub Magistrates and

the Mexican Agency, after taking from
them an affidavit in your honor's

on which their pensions were sanctioned.
In like manner an affidavit was taken

from me, but my pen now is not
yet- sanctioned from the last 9 months,
I am put to a great inconvenience -

I am sorry that although I have
possessed valuable documents for
my prolonged service in the late Meech
Agency, yet I was put into trouble
in obtaining my pension in consequence
of the record being destroyed by white ants
in a Government Office. -

I therefore respectfully beg to solicit
your honor will be pleased to take
steps to get my pension sanctioned. -

I further most humbly beg to
refer to the Clause 4 Section 71 Chapter

("where verification is not practicable
Certificates such as those given by an
Officer to a subordinate of his leaving
an Office") I had such Certificates
