I know but little personally of this man. His work is not very well done. His division sadly needs looking up. I much fear, from what I hear, that he is not to be trusted.

Sir,

I have the honor to bring to your notice the utter inefficiency of R. Narisiah Sub Magistrate of Ankapilli.

2. Ever since I joined this district my attention has been attracted to the extraordinary mistakes made by him in his Magisterial work. Throughout he has displayed an utter ignorance of either law or procedure.

3. During my stay at Ankapilli I have had an opportunity of more closely examining his work and I subjoin some extracts from his Diary which explains his method of disposing cases. Every day petitions have been presented asking me to hear and dispose of cases which the Sub. Magistrate will not take up. The universal testimony, and I am bound to say that it is fully borne out by his Diary, is that when a case is filed he keeps the parties hanging

51
about his cutcherry for days and weeks till their patience is tired and they go away, when he either dismisses the case for default (whatever its nature may be) or else issues a fresh set of summons and warrants, only to subject the parties to the same annoyance.

4. I find in his possession four Referred charge sheets sent more than a month ago on which no orders have been passed - The Police are constantly bringing to my notice similar instances of delay.

5. In his revenue capacity he is equally useless. The census returns sent in by him are often manifestly wrong, he has to day admitted that he never looked at them or attempted to check them in any way. I believe that I have not received from him a single return that has not had to go back for revision for faults apparent on the face of it.

6. I find that in this Taluk roads have been recently made, before the land had been transferred by amicable arrangement or taken under Act X of 1870. The sub Magistrate not only did not prevent this, but has taken no steps to arrange for compensation.

7. He is the least intelligent man for his position that I have ever seen, and my predecessors have recorded the same opinion. Mr. M. C. Webster says "he has not one redeeming point." Mr. Bliss

suspected him of his dishonesty. I have found him unable to answer the simplest questions either in Magisterial or Revenue matters, and he is in the habit of relying on a clerk paid Rs 15 who in reality manages the taluk. The Sub-Magistrate is also afflicted with leprosy.

8. His service according to his own statement is 32 years but only ten of this service qualifying for pension. His age is 53 and he says he has no intention of retiring.

9. My opinion is that he should be called on to retire at once on the pension or gratuity which may be due to him. I cannot conceive any post which he is competent to fill. He must retire in 2 years as he will then have attained the age of 55 years. If you think that he should remain in Public Service till that time, I have the honor to recommend that he be reduced to the grade of Gumastah.

I have the honor
Sir,

Your most obt. Servt

From the experience I have had of my Sheristada
Purvis Karasaya Pantulu, I consider him to
be well qualified for a higher post than that
he now holds. He has for three months
been in charge of Golconda Taluq.
The only drawbacks in him are that
he is of the old school and that he
has no knowledge of English.
He speaks Hindustani, Tamil, Oriya
and Malabarastani.
