The history of services of the applicant shown in the Roll is based partly, on the records which were forthcoming in the several Offices in which the applicant is said to have served, and partly on the affidavits made by him. And his witnesses before the 2d. Class Magistrate of Vellore Town. There being nothing on the Record to show the character and efficiency of the applicant. I am unable to express my opinion as to his past conduct. and to determine the amount of Gratuity for which he is entitled, which I beg to leave for your disposal —

FOR ORDERS.

The applicant* was thrown out of employ on the introduction of the New Police organization in 1859. He was then offered employment in the new Force, but declined. During the 16 yrs following he ~~[illegible]~~ took no steps to obtain a gratuity. He applied ~~[illegible]~~ for the first time for one in /75. His service under Govt. was 18-11-24 dys, — verification of which rests almost entirely on the applicant's affidavit & those of his contemporaries — he is only now 50 yrs of age — It is submitted that so long delay in applying, coupled with the fact that he refused further Govt. service, is sufficient reason for rejecting this claim
