ORDER THEREON, 12th December 1876, No. 762.

Application is made for the grant of an invalid pension of Rupees 21 per mensem to Shunmoogum Moodelliar, late 3rd-Class Clerk on the Establishment of the Commissariat Office at Bellary. His total service extends to twenty years, ten months, and fourteen days; after deducting three years and twenty-five days on account of acting appointment, suspension and leave, and seven months and eighteen days on account of two breaks, his net qualifying service amounts to seventeen years, two months, and two days.

2. It appears from the explanation now afforded by the applicant, that he was out of employ from the 5th December 1859 to 13th July 1860, after the expiration of his leave, having apparently been directed by his superior to obtain employment elsewhere, if so minded, as he was unable to join his appointment in the Commissariat Office at Tonghoo on account of illness, which resulted at length in his being permitted to resign his appointment at Tonghoo. This will therefore be treated as resignation coming under Section 45, Rule I of the Civil Pension Code, which does not vitiate his previous service, applicant having been re-employed within a year.

3. With regard to the second break, viz., from 23rd to 31st December 1861, the Government are of opinion that it may be held to come under Exception (*h*), Section 44 of the above Code.

4. Under these circumstances, the Governor in Council is pleased to grant to Shunmoogum Moodelliar a monthly pension of Rupees (21-5-1) twenty-one, Annas five, and Pie one, being one-third of his average salary for the last five years, under Sections 49 and 56 (*b*) of the Civil Pension Code.

5. This pension will be payable at Bangalore from the 15th December 1875.

Explanation of C. Shunmoogum Moodeliar, regarding the two breaks in his service as called for in the letter No. 120 dated 28th September from the Government Pension Department & No. 1663 dated 3rd October 1876 from the Controller of Military Accounts.

1st Explanation. One month previous to the expiration of my privilege leave, as I was sick and unable to return to Tonghoo, I came to the Commissary General's Office and desired Mr. Seawen the then Head Uncovenanted Assistant to obtain the permission of the Commissary General to detain me here and to send some body else to take my place at Tonghoo in Burmah. Mr. Seawen said that he will ask the Commissary General and inform me the result next day, accordingly I went to him next day, then he informed me "that Colonel said that there is going to be a reduction in the Establishments therefore I cannot give him any place here, but if he choses to go to any other Department, the Colonel has no objection for it, and that he will grant me permission if applied for," but I have neither applied for extension of leave nor was refused - Had I been refused I would have rejoined my Station at once, as I had sufficient time before I spoke to Mr. Leavan - Consequently I went and tried to enter in some other Department, at last I found some chance to enter in the Salt Department at Tanjore and offered my service to the Deputy Collector in charge accordingly he admitted me in the Dept on the 1st July 1860 and reported the same to the District Collector of Tanjore - who desired the Deputy Collector to obtain permission of the Commissary General to transfer me to his Department The Deputy Collector then addressed the Commissary General on the 23d July and obtained his reply dated 2d August 1860. After this reply, the Commissary General wrote to the Executive Commissariat Officer Tonghoo on the 7th August 1860 to strike out my name from the list of Clerks from the date of expiration of my privilege leave, instead of from the date of my transfer to the Deputy Collectors Department - Had I been aware that my name was ordered to be struck off from the date of

expiration of my privilege leave and this would entail loss of service, I would have applied and obtained leave without pay, so that my services should have been continuous, which in fact believed to be up to this time, but I have been sadly disappointed Should Government not be pleased to take what I have stated above into consideration, I hope it may be brought under the Head of resignation of appointment and my services reckoned as I obtained employment before the expiration of one year, which indulgence allowed to Clerks resigning Government Service prior to 1862 vide G O G No 184 of 14th May 1854 page 296

D Explanation - I was offered again by the Commissary General on the 5th October 1861 to take an appointment of 2d Writer at Tonghoo in Burmah, I then accepted and obtained two months leave* to enable me to join my post in Burmah and arrived at Madras, where I was provided with passage and embarked on the 15th November 1861 and arrived at Rangoon about the 23d of that month, there the Executive Commissariat Officer

* from 23d October 1861-

detained me until about the middle of December 1861 as the road between Pegu to Tyassoo was impassable, which delayed my arrival at Tonghoo till 31st December 1861 and I joined my post on the 1st January 1862. the whole of that period viz from 15th Nov. to 31st December 1861 as I was under the orders of the Commissary General, I consider my service is not a break. I trust therefore this explanation will be deemed satisfactory and the break of 9 days which entails loss of my service for a period of eleven years may be reckoned as it was by circumstances beyond my control.
