Translation of a Petition addressed to the District Court of Coimbatore by Abdool Pussool Saib, late Jailor dated 14 November 1876.

As I was suffering from retention of urine and Rheumatism and in consequence very ill and unable to look after my duties I applied to the then collector Mr Sullivan to give the Monegar office to my son-in-law and to get me pension and he promised to comply with my request. So that in November 1870 I put in my resignation. As I was bedridden with the same disease the Head Assistant collector who was in charge of the Coimbatore Division appointed a Muzassadar who had been removed from the same office. I preferred an appeal and it took me about a year to know its result which was unfavorable. Having been suffering from the above illness for 4 years and not having been proper senses at the time I did not know whom I should apply to for my pension.

About 2 years ago after I had recovered a little from my illness, I represented my case to Col. Wilson the Inspector General of Jails.

It was only after I came to know I should apply to the Court, that I in March last put in a petition to this Court. Altho' I have now recovered from Phlebotomy yet I am suffering from retention of urine. From the foregoing reasons I was not able to put in an application for pension in time. I therefore humbly request that your honor will be pleased to excuse the delay which was owing to my protracted illness and to my ignorance of procedure and to recommend me who had faithfully served for a long time to Government and get me their bounty during the eve of my life.
