ORDER THEREON, 13th December 1876, No. 781.

Under Sections 49 and 56 (*b*) of the Civil Pension Code (second edition), the Governor in Council is pleased to grant to Robert McHutchinson, late Deputy Surveyor, No. 4 Revenue Survey Party, Madura, a pension of Rupees 17-15-0 per mensem, to which he is entitled for his qualifying service of twenty years, six months, and sixteen days, payable at Madura from the 8th June 1876.

2. The Superintendent of Revenue Survey and the Accountant-General have both rejected the applicant's superior service, prior to 1st December 1858, and subsequent non-qualifying service, from 1st December 1858 to 30th September 1860, a period of one year and ten months, on the ground that he resigned the permanent service to join his new appointment, non-qualifying service; but, whatever may have been the nature of the services performed by him, the applicant was a permanent servant and must be treated as such. It is clear the man himself had no idea that, by acquiescing in the transfer to non-qualifying service, he would forfeit all his previous service. The periods in question, amounting to five years, five months, and three days, should have been included, although its inclusion or exclusion is immaterial as regards the amount of pension to which the applicant is entitled.

3. As it appears that the average salary of McHutchinson during the last five years of his service was Rupees 53-13-2, and not Rupees 53-11-10 per mensem, as entered in the register, the amount of pension admissible to him has been altered accordingly.

4. A copy of these Proceedings will be submitted for the approval of the Government of India.

Deputy Surveyor Mr Mc Hutchinson having been reported permanently disqualified for further service, is relieved from suspension from 8th instant, from which date his services are dispensed with.

2/ The enquiries made by the Ag. Dy Superintendent in his case, show that Mr Mc Hutchinson, when he had the disgraceful fracas with Deputy Surveyor Mr Hitt, was drunk and lead to the strongest belief that he struck his peons and then to screen himself reported them.

3/ The Ag. Dy Superintendent could not have allowed him to resume his place in the Department after conduct such as this, but as his services are to be dispensed with, it is not necessary to go further into the case

Replies to queries from Accountant Generals office regarding Mr R Mc Hutchinsons service in Survey Department

1. On 1st May 1862 Mr Mc Hutchinson was not with No 5 Party. He had been transferred to Central Office on 1st March 1862 as examiner & Computer on Rs 35 per mensem. The reason of reduction of pay is not known.

2/ The applicant retained a lien on his appointment as Head Surveyor, while serving as additional Head Surveyor in No 1

3. Memo of examination by Hospital Assistant Periaculam giving additional marks for identification is enclosed.

4. Copy of Orders suspending Mr Mc Hutchinson and relieving him from suspension are enclosed.

5. The extract service register sent to this Party on Mr Mc Hutchinson's transfer from No 1 is enclosed. It seems to be altogether inaccurate. Not only is no mention made of the transfer of Mr Mc Hutchinson to Central office on reduced pay, but the date of transfer from

Central

Central Office to No. 1 is given erroneously as 4th October 1862 instead of 1st Idem

Orders are solicited as to whether he should suffer any deduction from his pension* on account of his unsatisfactory conduct. From the Superintendent Madras Survey dated 10th Augt 1876 No. 2317

— " — Accountant General dated 18th October 1876 No. 117/421

Order thereon 13th Decr 1876 No. 781.

Under Sections 49 and 56 (C) of the Civil Pension Code (2nd Edition) the Governor in Council is pleased to grant to Robert Mc Hutchinson late Dy Surveyor No. 4, Revenue Survey Party, Madura, a pension of Rs 17-15- per mensem, to which he is entitled for his qualifying service of 20 yrs 6 ms & 16 days, payable at Madura from the 8th June 1876.—

2 The Supdt of Revenue Survey and the Acctt General have both rejected the applicant's superior service prior to 1st December 1838 and

subsequent

Subsequent non-qualifying service from 1st December 1865 to 30th September 1860 a period of one year & ten months, on the ground that he merely resigned the permanent service to join his new appointment non-qualifying service but whatever may have been the nature of the services performed by him, the applicant was a permanent servant and must be treated as such. — It is clear the man himself had no idea that by acquiescing in the transfer to non-qualifying service he would forfeit all his previous service, the periods in question amounting to 5 years 5 months and 3 days should have been included, although its inclusion or exclusion is immaterial as regards the amount of pension to which the applicant is entitled. —

3 As it appears that the average salary of Mr. Hutchinson during the last 5 years of his service was Rs 53-13-2, and not Rs 53-11-10 per mensem as entered in the register, the amount of pension admissible to him has been altered accordingly.

4 A copy of these Pros: will be submitted for the approval of the Govt of India. —
