*Proceedings of the Madras Government, Pension Department,
16th December 1876. No. 787.*

Pension.

Read the following letter from Colonel J. W. RIDEOUT, Officiating Controller of Military Accounts, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 6th October 1876, D:—

In forwarding letter from the Officiating Deputy Inspector-General of Ordnance and Magazines, dated 29th September 1876, No. 248-G, requesting the sanction of Government for the payment of Rupees 80 per mensem to Mr. Elkington, pending receipt of the instructions of Government on the application which has been submitted for that individual's transfer to the Pension Establishment, I have the honor to observe that compliance would be opposed to rule and without precedent.

2. As explained in report from this office A, 25th September 1876, the application not being supported by a medical certificate, the grant of the pension solicited requires the sanction of the Secretary of State. I would suggest that, until the result of the reference be known, Mr. Elkington be granted leave for the benefit of his health on private affair for six months with moiety of salary, Rupees 87-8-0 per mensem.

From Colonel N. G. CAMPBELL, R.A., Officiating Deputy Inspector-General of Ordnance and Magazines (in charge Ordnance Office), to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 29th September 1876, No. 248-G.

With reference to letter, No. 198-G, dated 23rd August 1876, from the Officiating Inspector-General of Ordnance and Magazines forwarding an application for pension, to commence from 1st September 1876, for Mr. J. A. Elkington, Head Clerk in this office, I have the honor to state, for the information of Government, that as no orders have yet been passed by them in the matter, and as it is believed that it will take some considerable time before the decision of Government on the subject can be known, I beg respectfully to request Government will be pleased to authorize a moiety, Rupees 80, of Mr. Elkington's present salary being drawn for him from 1st September 1876 until the question of his pension is decided.

2. A pension of Rupees 81-15-4 was proposed in the application for pension which accompanied original letter referred to above from the Officiating Inspector-General of Ordnance and Magazines to Government.

3. The unfortunate man is in very poor and miserable circumstances, and I venture to solicit the boon I do, as otherwise he and the large family, which he, like the generality of men of his class, has brought into the world, will be reduced to literal starvation.

ORDER THEREON, 16th December 1876, No. 787.

The request is inadmissible; there will be no delay in the disposal of the case.
