Sir,

Enclosures

I have the honor to submit for the orders of
Government an application for the grant of a pension to
Velicherla Lakshmaya late a 2^d Class Constable
N^o: 340 of the Nellore District.

2. He has served in the Police Department
for a period of 15 years 9 months and 2 days and was
formerly employed in the Revenue Department for 16 years
3 months and 25 days. He is stated to have borne a good
character and is now unfit for further effective service
of any kind as certified by the local medical officer.

3. This individual is entitled to an invalid
inferior service pension of Rupees 3-8-0 per annum with

effect

effect from the 7th April 1876, equal to a half of his pay not exceeding Rupees 4-- for his qualifying combined Revenue and Police services of 32 years and 27 days under Sections 49, 63 b, 104 Scale A and 107 of the revised Civil Pension Code.

4. With reference to the causes of delay in submitting the roll and the Medical Certificate of the applicant being signed by a single officer the Superintendent of Police in his letters No. 528 dated 12th October 1876 and 619 dated 20th November 1876 gives the following explanations:-

"The delay was caused partly by references having to be made to the Revenue Department regarding the previous services and partly on account of want of hands in the office, the audit-inspector having been laid up sick from June and one of the clerks of the office having died in the same month and a heavy pressure of business in the office."

"The Constables were not placed for examination before a special Committee of 2 Medical officers because there is only one medical officer in the station and they were not able to serve till the Annual Committee would assemble. It was necessary therefore to place them before the Jillah Surgeon and discharge them on his certificate."

I have the honor to be,
Sir,
Yours most Obedt Servt,
