Acting Sheristadar of Rajahpore Talug.

Dated 3rd November 1863.

The collector has issued a Dekum Ross
dated 27th October of this year, stating among other
things, that on perusal of the explanatory statement
submitted from the Talug, it appears that the
accounts noted in the margin have not been
kept in the Talug according to the Manual;
that it is irregular not to have kept them
accordingly; that therefore the accounts have
not been regularly received according to fixed
time; that on inquiring into the subject, it came

you are therefore ordered to revert to your Head

The cause of degradation was the introduction of Mr Stokes' Muzungulala. The certificate required is enclosed.

21st Dec 1866
No 1287.

(1) The services from 1st April 1842 to 31st January 1847 have not been verified as the records were lost in Cyclone 1844, but an affidavit of the collector & the dispositions of his businesses were forwarded to your office on 5th March 1848 with the history of his services; he was then employed in Vacirassi Estate and is eligible for pension under G.O. No 711 of 17th December 1840.

(2) The estate was first attached for arrears of Peshkash in 1822, it remained till August 1836 when it was made over to Ramanadha babu. But it was resumed from him on 7th January 1842 when Collector's letter to the Board on 24th January 1842 states that the estate was not continuously under Govt management till his service from 1st Nov 1833 to 11th August 1840 is not therefore available for eligible pension.

Enclosed letter to Board dated 1st August 1836

The above facts answer the question No 3.
