Sir,

Adverting to your letter No 608, dated 13th ultimo, I have the honor to state with reference to para 1 that it has been ascertained from the records that the Revenue Inspector therein referred to did actually tender his resignation on the 13th April 1874. An order was issued, on the 14th idem to the Tahsildar to send him up for physical examination before the Medical Officer. He however delayed until the 12th May following to produce a certificate from the

Zillah Surgeon that he was fit for further Service. Even then instead of returning to his duty he remained away until the 26th idem, on which date he appeared at the Taluq Cutcherry to put in an application for sick leave for one month, which was accordingly granted as the application was supported by a medical certificate. If the man had appeared as soon as he was ordered, it could not possibly have taken him such a long time to produce the certificate. It will thus be seen that there was no other alternative but to consider him as absent without leave from the 13th April till 25th May.

2. With regard to the information required in the second para, his absence subsequent to 22nd August was not supported by an application. He presented his resignation on the 2nd October, but it took him the remaining 27 days to produce a certificate of incapacity. He should therefore be considered as absent without leave between 23rd August & 29th October 1874.

Translation of Takeed from C. S Crole Esqre, Ag Sub Collector, Madras District to M. Sami Naidoo, Tahsildar of Conjeveram Taluq, dated 14th July 1869 No. 194.

In the Urzee of the Dy Tahsildar of Streeperumadoor No. 56 dated 1st Instant, it is stated that out of the Beriz of Rupees 21,818 outstanding in the zillahdar Ananda Row's firkah, a large portion has been collected without attachment, that moveables have been attached to the extent of Rs 2800 and lands for Rs 414 only and that, out of the Beriz of Rs 26458 in the 1st Class Revenue Inspector Srinivassa Iyengar's firkah, attachment has been made

made on account of heavy arrears of Rs 10,548, of which immoveable property has been zufteed for Rs 6297 and that if he had entered upon his duty of collection immediately after the Jummabundy, there would not have been any necessity for attaching property for such a heavy balance.

2. You may have received my orders regarding the immediate realization of all the arrears. Orders will now be passed respecting the conduct of the officials concerned in the collections.

3 Revenue Inspector Srinivasa Iyengar has attached immoveable property on account of a very heavy arrears in his firkah. On enquiry I learn that there is no necessity for this headlong

attachment

attachment, and that in most instances arrears are allowed to accumulate till the close of the Fasli without any demand to the ryots prior to that time. In consequence of this neglect of duty and the incapacity as evinced in other respects during the last year and for reasons set forth in your Urzee of the 9th May, and that of the Deputy Tahsildar above alluded to, coupled with the fact of the said Srinivasa Iyengar's inability to account for the above state of things when he presented himself before me at Vendaloor, I have suspended him for six (6) months, at the expiration of which period he will be provided with an appointment

suitable

suitable to his capabilities.

Sir,

With reference to your letter No 425 dated 2nd August last, I have the honor to state as follows:—

2. In reply to the 1st query of the Assistant Accountant General's docket that accompanied the above letter, so far as can be ascertained from the records of this Office and of the Talug, 2 months sick leave only was granted to the Revenue Inspector therein referred to during the period between 13th April & 29th October 1874 - (i.e. 1st for one month from the 26th May & 2ndly for one month from the

22nd July). He should therefore be considered as absent without leave during the remainder of that period. The Tahsildar probably means portions of May & June, when he states that the Revenue Inspector was on sick leave in May & June in his Arzi× No 172 of the 10th October 1874 addressed to you and sent to me with your No 517 dated 24th ultimo.

× herewith returned.

3. With regard to the 2nd query - no extension of leave was granted him subsequent to 21st August 1874.

4. With regard to the 3rd, the Revenue Inspector should no doubt be considered as absent without leave, as no leave of any kind was granted him during the period (16th to 30th April 1874)

5. As for the 4th, he was on duty as 1st class Revenue Inspector in the Conjeveram Taluq from the 1st to 19th September 1866; on privilege leave for one month from the 20th September; on duty from the 19th October up to the end of November 1866; and on private affairs leave on forfeiture of full pay from the 1st to 9th December. On the 10th he was appointed 2nd clerk in the Sub Collector's Office.

6. The leaves referred to in the 5th query were omitted as the party did not appear before the Tahsildar, as ordered, to furnish the requisite information, nor were they noticed by you in verifying his service list. Besides, this office has no means of verifying leaves as the leave statements are sent direct from the Taluq to your office. They are duly entered in the history of the Service in the accompanying pension application, which should be substituted for the one already sent on the 30th June last.

VIDE your *Application for* pension *on behalf of* P. S. Srinivasa Ayyangar and also your reply memo: in connection with it No 216 d: 11 instant,

THE undersigned has the honor to state that "absence without leave" forms a break in the continuity of service, and the applicants previous service was therefore vitiated unless, under the circumstances explained in the Sub Collectors letter No 722 of the 4th instant, "leave without allowances" under Sec: 9 of the Supplement F. of the Civil Leave Code is retrospectively granted to the applicant for the period he was absent in the months of April 74. It is observed that the applicant was granted sick leave from 1st May 74 and was allowed half pay from that date (vide your Treasury Deputy's reply to this Office Objection Statement on the Huzur & Taluq Estt pay bills for June paid in July 74.)
