MEMORANDUM.

The undersigned has the honor to report that the service of Lazar, the late Constable of the Marine Police, cannot be verified from the records of this office as the Constabulary Forces are not recorded here in detail. It rests with Government to grant a gratuity under Section 123, but a pension, with reference to Section 124 of the Civil Pension Code, 3rd Edition, is grantable only by the Government of India, if it can be established that the accident which resulted in the Constable's death was not incidental to his duty—*vide* Section 118 of the Civil Pension Code.

From Lieutenant-Colonel C. S. HEARN, *Inspector-General of Police, to the Chief Secretary to Government, dated Trichinopoly, 15th February 1877, No. 743.*

With reference to the encasement on a letter from the Accountant-General (here-with returned) I have the honor to forward the original letter from Colonel Swanston, late Acting Commissioner of Police, recommending the grant of a gratuity or pension to the family of the deceased Marine Police Constable Lazar, and also a Memorandum from Colonel Drever, Commissioner of Police, (in reply to a reference from me) who states that the death of the constable was not due to any extraordinary circumstances but to the usual execution of boat duty. The sea however appears to have been unusually rough, and the Government were pleased to grant a gratuity in a somewhat similar case—*vide* G.O., No. 580, dated 28th September 1874. In the latter case the deceased constable had upwards of ten years' service.

ENCLOSURE No. 1.

From Colonel W. O. SWANSTON, *Acting Commissioner of Police, Madras, to the Inspector-General of Police, dated Madras, — 1876, No. 871.*

I have the honor to bring to your notice the case of the family of a Marine Police Constable named Lazar, who was lately drowned, while on duty, by the boat on which he was, being broken upon the surf.

2. Lazar entered the Marine Police on 20th April 1875, and was drowned on the 29th August 1876, his character was good. He was not a married man, but he had a widowed mother and a brother, aged about ten, entirely dependant on him. His mother is too old to work for her living, and the only other child, besides the boy above mentioned, is a son aged twenty now in the Mauritius, from whom she receives nothing.

3. Should you think the case is one deserving of consideration, I would beg that it might be laid before Government with a view to a small sum of money being granted, to enable the widow to set up some small business by which she could obtain a moderate living.

ENCLOSURE No. 2.

Memorandum from Colonel W. S. DREVER, *Commissioner of Police, Madras, to the Inspector-General of Police, dated Madras, 12th February 1877, No. 1384.*

[Your Memorandum, No. 507, dated 3rd February 1877.]

Has the honor to report that the circumstances under which late Marine Police Constable Lazar met his death were, apart from the accident itself, in no degree extraordinary. He in common with others was employed that day on the usual boat duty, the sea was rough and his boat was swamped.

ORDER THEREON, 26th February 1877, No. 104.

The Government sanction a gratuity to the mother of the deceased of six months' pay amounting to Rupees 42.
