4 Though the service in the Superior Grade is only $\overset{y\ m\ d}{25\text{-}10\text{-}27}$, no medical certificate is necessary under Section 50 of the C. P. Code as the age of the applicant has exceeded 60 years.

5 The Sub-Collector has considered that the applicant is unfit for the efficient performance of the duties and consequently ordered him to retire.

Deposition given on solemn affirmation by Ilasómayájula Subbamma.

I have seen the Sub-Collector's order to the Tahsildár of Rámachendrapúr No. 303 dated 26th July 1876, which had been shown to me by him. I held a Revenue Inspector's post in the Amalápúr Táluk upto 29th March 1874, and was transferred to a similar post in Rámachendrapúr Táluk from the 30th Idem. After this transfer and upto 30th March 1876 on which I presented my application for pension, I held that appointment without any break in the interval. This fact is known to the Táluk Gumástas and the Sheristadár. It may, therefore, be ascertained from them as to whether I was holding the said post in the months of February, March and December 1878 for which no pay Abstracts were forthcoming as stated in the order. Bubbellapáti Bhagavánlu, the Gumásta, may be examined on the subject.

I was Samutdár of Anaparti Samut in the late Hápavaram Táluk in the months of July, August, September, November and December 1853. Patri Narasinga Rão Pantulu was then a Gumásta in that Táluk. He knows this fact. He is now a clerk in the Collector's Office. Afterwards, I was transferred to be Samutdár [illegible] Samut in the late Rajole Táluk and held it upto 16th April [illegible] fact is known to the Sherista[illegible] who was holding [illegible]

13

appointment there and to Déváguptápu Nílacantamgár who is now this Táluk Head Gumásta as well as to Pólápragada Subbáráyudu Gár, the Revenue Inspector. The fact that I was a Revenue Inspector in the Amalápur Táluk, from 17th April 1862 to 29th March 1874 without a break, is known to Nílakantam and Subbáráyudu Gárs, and it may, therefore, be ascertained from them.

I have heard the deposition and it is correct.

I was appointed as a Gumásta in the late Hápavaram Táluk in 1844. About 4 years after, Ilasómayájula Subbamma was appointed Samutdár of the Anaparti Muta. I have known him ever since. He was in that Táluk for about 6 years and was then transferred to Ryali Táluk. I was subsequently transferred to the Huzur Establishment. I can assure that ever since he was not under suspension &c. and that he had been serving with propriety.

I have heard the deposition and it is all correct.

VIDE your Application for Pension on behalf of Ilasomayajula Soobbanna.

THE undersigned has the honor to request explanation on the following points.

1. Why was the applicant shewn to have been Samutdar of Anaparti in Kapavaram Taluq from 24 October 1848 to 21 May 1854 while in the Annual Return of 1 May 1849 his name does not appear in that taluq Estabt. His name is not to be found even in Kottapally taluq in that year.
2. As the applicant's name appears in Kapavaram Taluq in the Return of 1 May 1850 and subsequent years where was he employed from Octr 1848 to April 1850.
3. Why was the initial letter of the applt's country or house name entered as C in the Annual Return of 1st May 1857 instead of I as shewn in the Register of application.

The applicant's Service Book is herewith returned for insertion in it of all the leaves other than casual enjoyed by him & for signature of the Tasildar in the 9th Column
of

of the 3rd page & for Collectors signature in the last column of the first page –

Accountant Genl.

No. 325

The applicant was employed from 24th October 1848 to 21st May 1854 as Samuttdar of the Anaparti Samut a part of the Peddapur Estate which reverted to Government in July 1847. The Pay Abstracts contained two headings to shew the source from which the salaries were paid viz.t (1) Government, and (2) management meaning Private Estates under Government management. Subbanna's pay was entered under the latter head till June 1849, when the Government of India sanctioned a revised scale (Moyen Jabita) for the District including the Establishments entertained for the said Peddapur

and

and other Estates that reverted to Government – Subbanna's pay was thenceforward shown under "Government" along with other Establishments – His name was not apparently therefore entered in the annual return of 1st May 1849, as at the time he was considered to have been on an Estate under Management.

2 The Office copy of the annual return of 1st May 1857 is not forthcoming in the records and the discrepancy in the initial letter of the house name of the applicant cannot in consequence be explained. It should certainly be "I".

3 The Service Register

of the applicant is herewith returned. The entry in the application of Leave from 4th to 19th May 1870 was a mistake for 4th to 18th May 1870 -

VIDE *your Application for* Pension *on behalf of* J. Soobbamma - & reply memo: No 325 of 21 Ultimo -

THE undersigned has the honor to request to be furnished with copies of orders under which the Peddapur Estate reverted to Govt. in July 1847 and that under which a revised scale of Establishment has been sanctioned by the Govt. of India; and to enquire whether the posts of Sumut dar of Kottapalli were permanent Govt. Appts.

Please send copy of order under which the appt. of Sumutdar was abolished on the 30 Sept/45 -

An early reply is solicited -

Asst to the Acctt Genl.

No. 18.

Copies of the orders under which the Peddapur Estate reverted to Government and those under which a revised scale of establishments was sanctioned by the Government of India are enclosed as per separate memo.

The posts of Samutdar of Kottapalli were permanent Government appointments.

The appointment of Samutdar held by the applicant was not actually abolished on the 30th September December 1845. Before the revised scale was sanctioned, there were 7 Samutdars, 6 on Rs. 12 each and one on Rs. 10, but according to the new scale there were only 6, of whom 3 were on Rs. 12 and 3 on Rs. 10 each per mensem. Owing to this and the transfer of some villages of the Kottapalli Taluk to the Caupawaram Taluk & vice versa, as will be seen from the enclosed extract from the orders dated 29th September 1845 No. 67 to the Tahasildar of Kottapalli, the ranges of the several Samutdars had to be revised and new names were given them. The applicant was one of them but drew only Rs. 10 from October 1845 under the new scale. A copy of the order No. 74 fixing the new ranges is enclosed.
