Order thereon, 15th March 1877, No. 139.

Under Sections 52 and 59 (*b*) of the Civil Pension Code (3rd Edition), His Grace the Governor in Council is pleased to grant to Punganamala Runga Row, *alias* Rungiah, 3rd-Grade Overseer, Department of Public Works, in the Cuddapah District, an invalid pension of Rupees (27-1-8) twenty-seven, Anna one, and Pice eight per mensem, to which he is entitled, for his qualifying superior service of seventeen years, eight months, and twelve days, payable from the 2nd September 1876.

2. The applicant resigned his appointment of Inspector in the Police Department in 1864, in order to take up another appointment in the Public Works Department, which thus caused a break in the continuity of service by seventeen days on account of transit from his Police appointment to Public Works Department. Under Section 47 (*h*) of the above Code transit from one appointment to another with the consent of the offices concerned does not form a break. Although in this case the applicant's shifting from one appointment to another was not with the express consent of the Head of both the offices concerned, yet the Government are of opinion that it may be held to come under Exception (*h*), Section 47, of the above Code.

Pension.—Granting an invalid pension of Rupees 27-1-8 per mensem to P. Runga Row, *alias* P. Rungiah, late Taluq Overseer, 3rd Grade, Department of Public Works, in the Cuddapah District.

Certified that I have carefully examined Rungamanale Runga Row son of Rungamanale Ramachendra Row an Overseer in the D. P. W. Cuddapah Dist. His age is by his own statement [illegible] years and by appearance about 50 years. I consider Rungamanale Runga Row to be completely and permanently incapacitated for further service of any kind, or in the Department to which he belongs, in consequence of premature old age and infirmity attended with loss of memory and impaired vision. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Countersigned,

The attention of Government is respectfully invited to the circumstances under which the applicant resigned his appointment of Inspector in the Police Department in December 1864 in order to take up another appointment in the Public Works Department which caused a break in the continuity of service by 17 days on account of transit from his Police appointment to P.W. Departt. Under Section 47 (b) of the Civil Pension Code 3rd Revised Edition transit from one appointment to another with the consent of Heads of both the Offices concerned does not form a break. In this case the applicant's shifting from one appointment to another was not with the express consent of the Heads of both the Offices concerned though such a consent may be considered as implied from the accompanying documents marked A and B.

Further it seems doubtful with reference to section 5 whether the proviso of section 47 (b) introduced in 1875 should be attended to in case of transfers made long before that date when the consent of Heads of both the Offices was not necessary.

No. 315 Pullumpett Range Office 21st Sept 1871 To The Superintending Engineer 3rd Division Sir I have the honor to request you will be good enough as a temporary measure to order the following transfers. Overseer P. Ranga Row from Sidhout to the Pullumpett Taluq. Local Fund Overseer C. Venkatachellum Naidu from temporary charge of Pullumpett Taluq to the charge of Sidhout Taluq. My object for making this request is owing to the sad neglect the Pullumpett Taluq has suffered of late, especially as far as the Roads are concerned and I am sure Ranga Row will do them justice. The state of Sidhout Taluq is such that a new arrival from College could manage it. I don't think that Ranga Row would like to leave his Taluq but for the benefit of the Public Service I consider it

Under Section 47 (h) of the above code transit from one appointment to another with the offices concerned, does not form a break and although in this case the applicants shifting from one appointment to another was not with the express consent of the Head of both the offices concerned yet the Govt are of opinion that it may be held to come under exception (h) Section 47 of the above code.—
