the ~~late~~ Helene Jura Deputy Tahsilwar

I deposed before the Byole Jaha

is an inhabitant of Padanti. He was
mulki runner between his apartment
& Brahma Devam on a monthly pay
of Rs 3 upto the year 1864. He assumed
charge of that duty when mulki Pems were
appointed. I do not recollect in what year
mulki Pems were appointed. I was then
despatching mulki in the Court Office.
I was Deputy in the District Office &
attended to the duty of despatching mulki.
Subsequently, that is, after ^{the year} 1864, he said.

of Amrapally.

I know Purvatares ^{Papiah} Papahya. When
Mulki was organised, that is, about 20
years ago, the said Papiah & myself
were appointed Mulki runners between
Krishnapatan & Braheradevan.

The said ~~Papiah~~ worked for about 16 years on a monthly pay of Rs 3, and resigned the post on the ground of insufficiency of pay, and became measurer in the Salt Kotam. I don't recollect in what year Mulki was organised, nor in what year he gave up the post for another. But I can say that from the organisation of the Mulki, he was Mulki measurer on a salary of Rs 3, and did duty in the Department for 16 years without any fault. ^{I know this well as a fact.}

This man's services were dispensed with
in November 1872.

His services were partly verified by
Records & partly corroborated by his own affi-
davit & the testimony of his contemporaries
& employees. The services that had to be thus
proved related to a period of 16 years 3 months
& 2 days from 14th December 1857 to 31st March
1874 during which he alleges having been
unemployed for 18 months and then employed
in the District Post Establishment. Records
having been unavailable for that period to show
his District Post Services, an explanation
was taken from him by the Comptroller
and Superintendent on 26th February 1873
when the applicant deposed that he
was not out of employ for 17 years, that
he had been dismissed when he was

Bygast of Allur Kotar, that on appeal
the Board ordered his restoration to office
that no vacancies having existed, he was
employed as District Post runner between
Kristnapatnam and Branchadavaram with
orders for pay on the Nellore Taluq Treasury,
that between his removal & reemployment,
he had been unemployed for a year or a
year and a half, & that then, while a
runner he was appointed as measure in
the Kanuparti Division. On this he was
ordered to appear and make a declaration
before the Ongole Taluq Magistrate. On the
23rd May 1873 he made his declaration as follows.
"After being removed at Padarti in the
Salt Department, he appealed to the
Board and was reinstated after one
year. He was then employed for 6 1/2 years
as Mulki runner between, Kristnapatnam
& Branchadavaram, drawing salary

at Nellore Taluq. Then he was appointed
measure of Kanuparti in which he re-
mained 8 years. His entire services was
14 1/2 years of which he was in the District
Dank Establishment for only 6 1/2 years."

Reference was made to the Nellore Tahsil
dar & no service lists were available,
even there to show Papaya's services. As his
affidavit declared service only for 6 1/2 years
while a period of 16 years had ~~been~~ accounted
for, his application for pension was
rejected and he offered to bring witnesses
to prove his unbroken services.

In September 1874, he presented a
petition naming his witnesses & the Town
Sub Magistrate of Nellore took affirmation
from the witnesses who were examined
Salt & Co. Superintendent, Colman & Co.

2. Pasupathi Kankabanda a maliki
runner at present between Kristnapatam
& Bramhadanam & Ramaling
attender in the salt Dy Collector's Office.

1. Pillay's evidence - Witness was
Akbarani at Kristnapatam in 1855
& up to 1857 when between the applicant
Papaya was maliki runner between
Kristnapatam & Bramhadanam on 300
pay.

2. Pasupathi Kankabanda a maliki
runner at present between Kristnapatam
& Bramhadanam and that Papaya, the applicant
served as such for about 16 years
on 300 pay and then resigned his appoint-
ment as insufficient & joined the Salt
Department as measure. Witness can
not remember the year of his appoint-
ment or resignation. He can affirm

that the applicant was in the Maliki
Service for 16 years unbroken.

3. Sasman Singh's Evidence - Witness
says that the applicant was employed
in the Maliki Department up to 1864, that
he had been employed in the Maliki ever
since the Maliki Post was established, the
witness does not know the year but
~~thinks~~ it was 1847. Witness was then
employed as Dalayat in the Office &
employed in dispatching Maliki Post
in the Post Office. Subsequent to 1864
the applicant joined the Salt Department
at Ranapatti & had not been dismissed
from the Maliki Post. Papaya now ex-
plains that his statement before the
Magistrate of Bangalore was a mistake.

in stating the District Post Service
to be 6 years instead of 14 years.

On His explanation and the evidence
afforded, I submit this register. He
possesses no certificates or other papers
throwing light on his service. The defect
in the evidence of the record and the time
taken by the applicant in making out
his case by his witnesses, has caused
considerable
delay in submitting his case.

The order of service has been issued in 1843
is forth coming. A copy of which is submitted. His name is not
found in the records. The order is found.
