FROM
THE OFFG. CHIEF SECRETARY TO THE GOVERNMENT OF
FORT ST. GEORGE,

To
THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed to submit, for the approval of the Government of India, the annexed Proceedings of this Government, of this date, sanctioning a pension of Rupees (13-5-4) thirteen Annas five and Pice four per mensem to Rangampilly Nummiah Naidoo, late Draughtsman and Estimator in the Manargudi Range, Tanjore District.

I have the honor to be,
Sir,
Your most obedient servant,

FORT ST. GEORGE,
15th March 1877.

Offg. Chief Secretary.

Proceedings of Government, Pension Department.

Proceedings of Government, Public Works Department, dated 14th June 1875, *No.* 1669.

Official Memo. to the Controller of Public Works Accounts, dated 7th July 1875, *No.* 20.

From the Examiner of Public Works Accounts, dated 6th and 7th November 1876, *Nos.* 196*P and* 15.

From the Accountant-General, dated 9th November 1876.

ORDER THEREON, 15th March 1877, No. 143.

The foregoing papers relate to an application for the grant of a compensation pension of Rupees 20 per mensem to Rangampilly Nummiah Naidoo, late Draughtsman and Estimator in the Manargudi Range, Tanjore District.

2. His total service (including non-qualifying service and breaks) extends to twenty-four years, two months and twenty-eight days, of which the period of twenty-one years, one month and four days is actual qualifying service.

3. The Accountant-General reports* that Nummiah Naidoo's service, from 26th November 1850 to 17th September 1855, and from 1st November 1859 to February 1860, cannot be verified "owing to the non-entry in the Godavery Division of his appointments." These periods of service are however supported by the affidavit of Nummiah Naidoo, beside other collateral evidence.

* *Vide* Memorandum dated 13th April 1875, No. 406.

4. A break of about six months and fifteen days in 1860 occurred in Nummiah Naidoo's service, through his absenting himself from office without leave. It appears however that he was re-entertained in the department, and served uninterruptedly from 16th August 1860 to 18th December 1874. During the currency of this service the reorganization of the Range Office Establishment took place in September 1872, in consequence of which Nummiah Naidoo lost his appointment of Head Accountant. The Superintending Engineer proposed meanwhile to employ him in the capacity of Draughtsman, which the Government approved in G.O., 7th October 1872, No. 2342. But failing a vacancy in the Accounts Branch, Nummiah Naidoo's services were finally dispensed with in December 1874.

5. As respects the breaks which occurred in 1860, it is observed that though at the time the explanation of his absence, offered by Nummiah Naidoo, was not considered satisfactory, and his place was filled up, yet he subsequently submitted a Medical certificate. Having regard to the fact that he was re-entertained in the department within a year, and also considering the good character borne by the applicant throughout his long service, the Governor in Council considers that the break in question may be treated as falling under the provisions of Section 48, Rule I of the above Code, and that Nummiah Naidoo may be allowed to count his foregone service towards pension.

6. It is further clear that Nummiah Naidoo's loss of appointment in December 1874 was primarily due to the reorganization of establishment which took place in September 1872. Up to this date the applicant can count a qualifying service of twenty-one years, one month and four days, (irrespective of the service rendered by him subsequent to this date or up to December 1874.) The Governor in Council is accordingly pleased to grant to Nummiah Naidoo a pension of Rs. (13-5-4) thirteen, Annas five and Pice four per mensem equal to one-third of his average salary for the last five years with effect from the 18th December 1874, subject to the approval of the Government of India.
